Toronto, September 28, 2017 - [Bison Gold Resources Inc.](#) (TSXV: BGE) ("Bison" or the "Company") is pleased to announce that Institutional Shareholder Services Inc. ("ISS") and Glass Lewis & Co. ("Glass Lewis"), leading independent proxy advisory firms that provide, among other services, voting recommendations to institutional investors based on a careful review of disclosure materials, have each recommended that Bison shareholders approve the proposed plan of arrangement (the "Arrangement") with [Klondex Mines Ltd.](#) ("Klondex"), pursuant to which, among other things, Klondex will acquire all of the issued and outstanding common shares of Bison ("Bison Shares"), in exchange for cash or common shares in the capital of Klondex (the "Klondex Shares"), or a combination of cash and Klondex Shares (the "Arrangement Consideration"), as more fully described and disclosed in the news release of the Company dated August 8th, 2017.

ISS and Glass Lewis have both indicated the Arrangement is in the best interests of Bison shareholders and recommended that shareholders of Bison vote FOR the proposed Arrangement. In making its recommendation that Bison shareholders vote in favour of the Arrangement, ISS concluded "in light of the significant implied premium, the favourable market reaction, and the reasonable strategic rationale, shareholder approval of this resolution is warranted". Glass Lewis recommended that Bison shareholders vote FOR the Arrangement for a number of reasons, including the fact that shareholders of Bison will potentially be swapping into a significantly larger, more diversified and financially stable company.
