

VANCOUVER, British Columbia, Sept. 28, 2017 (GLOBE NEWSWIRE) -- [Canadian Zeolite Corp.](#) (the "Company") (TSX.V:CNZ) (OTCQB:CNZCF) (FSE:ZEON) an international marketer and distributor of zeolite and zeolite products is pleased to announce the appointment of Mr. Larry Brandenburg to the Advisory Board to oversee business development and strategic planning as the Company continues to establish its operations in Canada and develop an international sales strategy.

Mr. Brandenburg brings over 40 years experience in the oil sands and oil distribution industry as the CEO of a private consulting company. He has been involved in oil sand expansion projects, water remediation and has expertise in field management, field supervision, turnaround co-ordination, planning, scheduling and design. He has been instrumental in planning and managing operations for projects both domestically and in international markets.

Mr. Brandenburg stated, "I am pleased to be joining a company that has multiple opportunities within the large and dynamic industries of food production, green house gas reduction and water filtration. Zeolite is a green-tech product that is used extensively in other parts of the world within these industries and is now gaining awareness and momentum in the North American market. We will remain focused on developing the industries we have already penetrated and with the positive cash flows that are generated fund our international expansion opportunities."

Mr. Ray Paquette, CEO of Canadian Zeolite stated, "Mr. Brandenburg's expertise and experience will give us the needed support through this growth stage. We continue to qualify new distributors and are expanding our current product line. We are seeing very positive results in our research and development and will publish results as ready."

On behalf of the Board of Directors
