05.10.2017 | Marketwired

TORONTO, Oct 5, 2017 - Western Troy Capital Resources Inc. (TSX VENTURE:WRY) ("Western Troy" or the "Company") along with its newly formed, wholly owned US subsidiary, Western Troy Mining Company, announces that due to further negotiations with Mt. Elbert Mining Company LLC ("MEMC"), terms of the lease agreement and private placement, outlined in the letter agreement entered into on September 5, 2017, have been modified. The letter agreement sets out the terms and condition upon which Western Troy will enter into a lease agreement on MEMC's interests in the Willow Creek Mine located in Lake Country, Colorado.

Highlights of the Renegotiated Transaction

On September 14, 2017, a press release issued by the Company announced that MEMC would be offered 2,000,000 Series B common share purchase warrants of the Company. After further negotiation, the parties have changed the amount of the Series B warrants to 250,000 in consideration for entering into the lease agreement. Each Series B warrant shall entitle the holder to acquire one common share of the Corporation at an exercise price of C\$0.05, exercisable for a period of 120 days from the date of issuance of the warrants. The securities issued will be subject to a four month and one day statutory hold period. The material terms of other consideration offered to MEMC for entering into the letter agreement remain unchanged and in the form announced in the press release dated September 14, 2017.

The Transaction is subject to the receipt of applicable regulatory approvals by Western Troy being received on or before October 15, 2017, and the satisfaction of certain other closing conditions customary in transactions of this nature.

Private Placement Upsizing

Pursuant to the terms of the negotiated Transaction, Western Troy proposes to complete a non-brokered private placement pursuant to which it will issue up to 9,200,000 common shares of Western Troy Capital Resources Inc. at a price of C\$0.05 per common share to raise aggregate proceeds of up to C\$460,000 (the "Offering"). In connection with the upsized Offering, the Company will enter into subscription agreements with certain shareholders of MEMC, the CEO of Western Troy, and a Director of Western Troy.

The securities issued and issuable pursuant to the Offering will be subject to a four month hold period. The Company intends to use the net proceeds from the offering to fund exploration and development at the Willow Creek Mine and working capital. The offering is subject to certain conditions including, but not limited to, the receipt of all necessary approvals, including the approval of the TSX Venture Exchange and applicable securities regulatory authorities, as well as completion of the Transaction.

The Offering provides for the following strategic investor provisions: (i) for as long as the investors own 7.5 percent or more of the undiluted common shares outstanding of the Company, the investors are entitled to nominate one director to the board of directors of the Company; (ii) until December 31, 2020, one-half of the shares held by the investors shall be voted in accordance with the recommendations of management of the Company; and (iii) for a period of two years, the investors have agreed to certain customary standstill provisions.

The securities offered will not be registered under the U.S. Securities Act of 1933, as amended, or applicable

state securities laws, and may not be offered or sold to persons in the United States absent registration or an exemption from such registration requirements.
