

Bearing Announces Full Exercise of Warrants

23.10.2017 | [Newsfile](#)

Vancouver, British Columbia--(Newsfile Corp. - October 23, 2017) - [Bearing Lithium Corp.](#) (TSXV: BRZ) (OTCQB: BRGRF) (FSE: B6K1) ("Bearing" or the "Company") announces that, as of Friday, October 20, 2017, all share purchase warrants of the Company (the "2016 Warrants") issued pursuant to the Company's September 2016 private placement have been exercised. In total, 12.48 million 2016 Warrants were exercised at an exercise price of \$0.25 for total proceeds of C\$3.12 million. Proceeds of the private placements from 2016 have been primarily used to deleverage [Li3 Energy Inc.](#) ("Li3 Energy"), a recently acquired subsidiary of the Company, and to pay legal and other costs associated with the acquisition of Li3 Energy.

The Company currently has 54.7 million issued and outstanding common shares (including shares issued pursuant to the exercise of the 2016 Warrants) and treasury of over C\$3.2 million.

Jeremy Poirier, President and CEO of the Company, commented: "We are pleased to have strengthened our balance sheet and for the continued support of shareholders. Given our free-carry on project expenditures at Maricunga and forecasted corporate expenditures, Bearing remains well capitalized to fund its obligations through to the end of 2018."

About Bearing Lithium Corp.

[Bearing Lithium Corp.](#) is a mineral exploration and development company, primarily focused on lithium. Its primary asset is a free-carried 17.7% interest in the Maricunga lithium brine project in Chile. The Maricunga project represents one of the highest-grade lithium brine salars globally and the only pre-production project in Chile. Over US\$30 million has been invested in the project to date and all expenditures through 2018, including the delivery of a Definitive Feasibility Study in H1/18, are fully-funded by their earn-in joint-venture partner. Bearing also holds a portfolio of grass-roots exploration projects in the gold district of the Yukon, which are currently optioned to Golden Predator, and a lithium project in Nevada, which is currently optioned to First Division Ventures Inc.

Cautionary Statements Regarding Forward Looking Information

This press release includes certain "forward-looking information" and "forward-looking statements" (collectively "forward-looking statements") within the meaning of applicable Canadian and United States securities legislation including the United States Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical fact, included herein, without limitation, statements relating the future operating or financial performance of the Company, are forward-looking statements.

Forward-looking statements are frequently, but not always, identified by words such as "expects", "anticipates", "believes", "intends", "estimates", "potential", "possible", and similar expressions, or statements that events, conditions, or results "will", "may", "could", or "should" occur or be achieved. Forward-looking statements in this press release relate to, among other things: Bearing's forecasted expenditures, completion

of a Definitive Feasibility Study and the Company's financial position to the end of 2018. Statements concerning mineral resource estimates may also be deemed to constitute forward-looking information to the extent that they involve estimates of the mineralization that will be encountered if the Maricunga Project is developed. Actual future results may differ materially. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Forward-looking statements reflect the beliefs, opinions and projections on the date the statements are made and are based upon a number of assumptions and estimates that, while considered reasonable by Bearing, are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. Many factors, both known and unknown, could cause actual results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements and the parties have made assumptions and estimates based on or related to many of these factors. Such factors include, without limitation: the occurrence of unexpected financial obligations, fluctuations in the price of lithium or certain other commodities; fluctuations in the currency markets; changes in national and local government, legislation, taxation, controls, regulations and political or economic developments; risks and hazards associated with the business of mineral exploration, development and mining (including environmental hazards, industrial accidents, unusual or unexpected formations, pressures, cave-ins and flooding); the presence of laws and regulations that may impose restrictions on mining and employee relations. Readers should not place undue reliance on the forward-looking statements and information contained in this news release concerning these times. Except as required by law, Bearing does not assume any obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law.
