

Marksman Energy Inc. Announces Final Closing of Private Placement

28.10.2017 | [GlobeNewswire](#)

CALGARY, Oct. 27, 2017 - [Marksman Energy Inc.](#) (TSX-V:MAH) (OTCQB:MKSEF) ("Marksman" or the "Company") announces that, further to its previously issued press releases, it has completed the third and final closing of its previously announced non-brokered private placement. In total, the Company issued 3,002,500 units (the "Units") of Marksman at a price of \$0.08 per Unit for aggregate gross proceeds of \$240,200 (the "Offering"). Each Unit is comprised of one (1) common share ("Common Share") and one-half of one (1/2) share purchase warrant ("Warrant") of Marksman. Each whole Warrant entitles the holder thereof to purchase one Common Share for \$0.25 expiring two (2) years from the date of issuance.

Marksman did not pay any commissions in connection with the closing of the Offering. Marksman intends to use the net proceeds of the Offering to pay interest on debt of approximately \$75,000 and the remainder will be used for participation in the drilling, completion and equipping of wells in Ohio, USA.

Completion of the Offering is subject to regulatory approval including, but not limited to, the approval of the TSX Venture Exchange Inc. The securities issued are subject to a four month hold period from the date of issuance.

Related Party Participation in the Private Placement

As insiders of Marksman participated in this Offering, it is deemed to be a "related party transaction" as defined under Multilateral Instrument 61-101-Protection of Minority Security Holders in Special Transactions ("MI 61-101").

Neither the Company, nor to the knowledge of the Company after reasonable inquiry, a related party, has knowledge of any material information concerning the Company or its securities that has not been generally disclosed.

The Offering is exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 (pursuant to subsections 5.5(c) and 5.7(1)(b)) as it was a distribution of securities for cash and neither the fair market value of the Units distributed to, nor the consideration received from, interested parties exceeded \$2,500,000.

For additional information regarding this news release please contact Archie Nesbitt, Director and CEO of the Company at (403) 265-7270 or e-mail ajnesbitt@marksmanenergy.com.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this news release.

This news release may contain certain forward-looking information and statements, including without limitation, statements pertaining to the use of proceeds, and the Company's ability to obtain necessary approvals from the TSX Venture Exchange. All statements included herein, other than statements of historical fact, are forward-looking information and such information involves various risks and uncertainties. There can be no assurance that such information will prove to be accurate, and actual results and future events could differ materially from those anticipated in such information. A description of assumptions used to develop such forward-looking information and a description of risk factors that may cause actual results to differ materially from forward-looking information can be found in Marksman's disclosure documents on the SEDAR website at www.sedar.com. Marksman does not undertake to update any forward-looking information except in accordance with applicable securities laws.
