VANCOUVER, BRITISH COLUMBIA--(Marketwired - Nov. 6, 2017) -

NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

Northern Empire Resources Corp. (TSX VENTURE:NM) (the "Company" or "Northern Empire") is pleased to announce that in connection with its previously announced bought deal financing, the Company and a syndicate of underwriters led by Cormark Securities Inc., and including GMP Securities L.P., Canaccord Genuity Corp., Haywood Securities Inc. and M Partners Inc. (collectively the "Underwriters") have agreed to increase the size of the previously announced financing. The Company will now issue 14,492,754 common shares (the "Shares") at a price of \$0.90 per Share (the "Offering Price") for gross proceeds of \$13,043,479 (the "Offering"). Closing is expected on or about November 28, 2017 and is subject to regulatory approval including that of the TSX Venture Exchange and the securities regulatory authorities.

In addition, the Company has granted the Underwriters an option (the "Over-Allotment Option"), to purchase up to 2,173,913 additional Shares at the Offering Price for market stabilization purposes and to cover over-allotments, exercisable within 30 days of the date of closing. In the event that the Over-Allotment Option is exercised in its entirety, the aggregate gross proceeds of the Offering will be \$15,000,000.

The net proceeds of the Offering will be used by the Company to advance its Sterling Gold Property in Nevada and for general corporate purposes.

The Shares will be offered by way of a short form prospectus to purchasers in all provinces of Canada other than Quebec, in the United States on a private placement basis pursuant to applicable exemptions under the United States Securities Act of 1933, as amended (the "1933 Act"), and in jurisdictions outside of Canada and the United States, in each case in accordance with all applicable laws provided that no prospectus, registration statement or similar document is required to be filed in such jurisdiction. The Shares have not been and will not be registered under the 1933 Act and they may not be offered or sold in the United States or to a US person unless and exemption from registration is available.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any state in which such offer, solicitation or sale would be unlawful. The securities have not been registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements.

About Northern Empire

Northern Empire is an aggressive, Vancouver based, gold explorer working to take advantage of the current improving market conditions by assembling a value driven portfolio of properties. The portfolio is anchored by the Sterling Gold Property. The Sterling Property land package totals 116km² and hosts existing infrastructure and an inferred 709,000 oz Au resource with a 1.0 g/t cut off. Located near numerous past producers, most notably the Bullfrog Mine (2.3Moz Au produced). Northern Empire's Sterling land package has significant exploration upside with little to no modern exploration having been completed.
