

Western Troy Capital Resources Announces Extension of Non-Brokered Private Placement

22.11.2017 | [Marketwired](#)

TORONTO, Nov. 22, 2017 - [Western Troy Capital Resources Inc.](#) (TSX VENTURE:WRY) ("Western Troy" or the "Company") announces that, further to its announcements on September 14, 2017 and October 5, 2017, it remains the Company's intention to proceed with the non-brokered private placement of common shares for gross proceeds of up to C\$460,000.

The Private Placement

The Company will issue 9,200,000 common shares of Western Troy at a price of C\$0.05 per common share to raise aggregate gross proceeds of up to C\$460,000 (the "Offering").

The securities issued and issuable pursuant to the Offering are subject to a four month and one day statutory hold period. The Company intends to use the net proceeds from the Offering to fund exploration and development at the Willow Creek Mine and working capital.

The Offering is subject to certain conditions including, but not limited to, the receipt of all necessary approvals, including the approval of the TSX Venture Exchange ("TSX-V") and applicable securities regulatory authorities.

The securities offered will not be registered under the U.S. Securities Act of 1933, as amended, or applicable state securities laws, and may not be offered or sold to persons in the United States absent registration or an exemption from such registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

CAUTIONARY STATEMENT:

Neither the TSX-V nor its Regulation Services Provider (as that term is defined in the policies of the TSX-V) accepts responsibility for the adequacy or accuracy of this release.

This news release contains forward-looking information that involves substantial known and unknown risks and uncertainties, most of which are beyond the control of Western Troy. Forward-looking statements include estimates and statements that describe Western Troy's future plans, objectives or goals, including words to the effect that Western Troy or its management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan". Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Although these statements are based on information currently available to Western Troy, Western Troy provides no assurance that actual results will meet management's expectations. Risks, uncertainties and other factors involved with forward-looking information could cause actual events, results, performance, prospects and opportunities to differ materially from those expressed or implied by such forward-looking information. Forward looking information in this news release includes, but is not limited to, Western Troy's objectives, goals or future plans, statements (including the terms, conditions and objectives of the Transaction), details of the exploration results, potential mineralization, the company's portfolio, treasury, management team and enhanced capital markets profile, the receipt of regulatory

approvals for the Offering, the receipt of regulatory approvals of the Transaction, the estimation of mineral resources, exploration and mine development plans, timing of the commencement of operations and estimates of market conditions. Factors that could cause actual results to differ materially from such forward-looking information include, but are not limited to, failure or inability to complete the Transaction and the Offering on the terms as announced or at all, regulatory approval processes, failure to identify mineral resources, delays in obtaining or failures to obtain required governmental, regulatory, environmental or other project approvals, political risks, inability to fulfill the duty to accommodate First Nations and other indigenous peoples, uncertainties relating to the availability and costs of financing needed in the future, changes in equity markets, inflation, changes in exchange rates, fluctuations in commodity prices, delays in the development of projects, capital and operating costs varying significantly from estimates and the other risks involved in the mineral exploration and development industry, and those risks set out in Western Troy's public documents filed on SEDAR. Although Western Troy believes that the assumptions and factors used in preparing the forward-looking information in this news release are reasonable, undue reliance should not be placed on such information, which only applies as of the date of this news release, and no assurance can be given that such events will occur in the disclosed time frames or at all. Western Troy disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.
