(TheNewswire)

Toronto, Canada / TheNewswire / November 28, 2017 - [Savary Gold Corp.](#) (TSX-V: SCA) ("Savary" or the "Company") has granted a total of 1,800,000 stock options to various officers, directors and consultants. The options may be exercised at a price of \$0.055 per common share for a period of five years from the date of grant. The company grants stock options from time to time to the various members of the board and management with a view to linking the interest of the directors and management with those of shareholders while keeping G&A expenses as low as possible. It is anticipated that during the financial year ending December 31, 2017 stock options are the only form of compensation to be received by members of Savary's board. The grant of options remains subject to the approval of the TSX Venture Exchange.
