

# Goldrich Mining Announces Filing of Arbitration Claim

06.12.2017 | [ACCESS Newswire](#)

SPOKANE, WA / ACCESSWIRE / December 6, 2017 / Goldrich Mining Company (OTC PINK: GRMC) announces [Goldrich Mining Company](#), its subsidiary and joint venture (collectively "Goldrich"), as claimants, have filed an arbitration statement of claim against NyacAU, LLC ("NyacAU"), BEAR Leasing, LLC, and Dr. J. Michael James, as respondents. The arbitration statement alleges claims concerning related-party transactions, accounting issues, interpretation of the joint venture operating agreement, and unpaid amounts due Goldrich relating to the Chandalar Mine.

The Chandalar mine is owned by Goldrich NyacAU Placer, LLC ("GNP"), a 50/50% joint venture between Goldrich and NyacAU, to mine the various placer deposits that occur throughout Goldrich's 23,000-acre Chandalar gold project in Alaska. NyacAU is the manager of the joint venture.

## About Goldrich Mining

Goldrich Mining (OTCBB: GRMC) is a U.S. based resource company focused on developing the Chandalar gold district in Alaska, USA. The Company controls a land package spanning over 22,000 acres of highly prospective gold targets and historic mines. Goldrich is focused on building shareholder value by monetizing placer assets, generating non-dilutive funds, and working towards building a lode gold mine at Chandalar.

GNP is a 50/50 joint-venture formed between Goldrich and NyacAU, LLC ("NyacAU") to mine the various placer deposits that occur throughout the Company's 23,000 acre Chandalar land package ("Chandalar") in central Alaska. Goldrich retains ownership of its 50% interest in GNP but, after the sale of 12% of the cash flows Goldrich receives in the future from its interest in GNP to Chandalar Gold, LLC ("CGL"), a non-related entity, Goldrich will effectively receive approximately 44% and CGL will receive 6% (12% of Goldrich's 50% of GNP = 6%) of any cash distributions produced by GNP, subject to the terms of the GNP operating agreement (see press release dated June 23, 2015).

- risks related to need to raise additional capital to fund our exploration and, if warranted, development and production programs;
- risks related to our property not having any proven or probable reserves;
- risk related to our limited history of commercial production;
- risk related to operating a mine;
- risk related to accurately forecasting production;
- risks related to our dependence on a single property - the Chandalar property;
- risks related to climate and location restricting our exploration and, if warranted, development and production activities;
- risks related to our mineralization estimates being based on limited drilling data;
- risks related to our exploration activities not being commercially successful;
- risks related to actual capital costs, production or economic return being different than projected;
- risk related to our joint venture arrangements;
- risks related to mineral exploration;
- risks related to increased costs;
- risks related to a shortage of equipment and supplies;
- risk related to fluctuations in gold prices;
- risks related to title to our properties being defective;
- risks related to title to our properties being subject to claims;
- risks related to estimates of mineralized material;
- risks related to government regulation;
- risks related to environmental laws and regulation;
- risks related to land reclamation requirements;
- risks related to future legislation regarding mining laws;
- risks related to future legislation regarding climate change;
- risks related to our lack of insurance coverage for all risks;
- risks related to competition in the mining industry;
- risks related to our dependence on key personnel;
- risks related to our executive offices not dedicating 100% of their time to our company;
- risks related to potential conflicts of interest with our directors and executive officers;
- risks related to market conditions; and
- risks related to our shares of common stock.

*This list is not exhaustive of the factors that may affect our forward-looking statements. Some of the important risks and uncertainties that could affect forward-looking statements are discussed in the Company's latest Annual Report on Form 10-K and Quarterly Report on Form 10-Q and other documents filed with the U.S. Securities and Exchange Commission. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those anticipated, believed, estimated or expected. We caution readers not to place undue reliance on any such forward-looking statements, which speak only as of the date made. We disclaim any obligation subsequently to revise any forward-looking statements to reflect events or circumstances after the date of such statements or to reflect the occurrence of anticipated or unanticipated events, except as required by law.*
