14.12.2017 | [CNW](#)

VANCOUVER, Dec. 14, 2017 /CNW/ - [Clean Commodities Corp.](#) (TSX VENTURE:CLE) (FRANKFURT:A2ALYM) ("Clean Commodities" or the "Corporation") is pleased to report that it has closed the second and final tranche of its previously announced private placement (see news releases dated December 5, 2017 and November 30, 2017) (the "Financing") through the issuance of 2,130,000 units for incremental gross proceeds of \$159,750.00 (the "Second Tranche").

Yesterday, the Corporation announced the closing of the first tranche of the aforementioned Financing, being 17,870,000 units for gross proceeds of \$1,340,250.00 (the "First Tranche") (see news release dated December 13, 2017, [Clean Commodities Corp.](#) Closes First Tranche of Financing).

The Corporation confirms that the First Tranche and Second Tranche, closed yesterday and today, respectively, totaled the previously announced 20,000,000 units in the Financing for aggregate gross proceeds of \$1,500,000.00.

Investor demand for the Financing significantly exceeded the number of units available under the Financing and the Corporation wishes to extend its appreciation to all parties who expressed interest.

The units issued in the Second Tranche were issued pursuant to the terms announced and are subject to a four month hold period per applicable Canadian securities laws.

The Corporation paid cash finder's fees on certain subscriptions within the Second Tranche equal to 7% and issued finder's fee warrants equal to 7% on certain subscriptions within the Second Tranche exercisable at a price of \$0.10 for a two year period following closing.

Subsequent to the Second Tranche and the closing of the Financing, the Corporation has 101,235,511 shares outstanding.
