

Rackla Metals announces appointment of Bruce Smith as President

18.12.2017 | [GlobeNewswire](#)

VANCOUVER, Dec. 18, 2017 - [Rackla Metals Inc.](#) (TSX-V:RAK) is pleased to announce that Bruce Smith has been appointed President and a Director of the Company. Simon Ridgway has stepped down as President but continues as a Director and Chief Executive Officer of the Company.

Bruce is a successful geologist with 25 years' experience exploring in Africa, Asia-Pacific, Europe, North and South America. He has participated in gold discoveries in Guinea, Guatemala and Nicaragua and most recently led the team that discovered the 220Moz Chinchillas silver deposit in Argentina.

In his position as President, Bruce will focus his efforts on acquiring compelling new projects for the Company.

About Rackla

Rackla Metals controls a portfolio of gold projects across Yukon Territory. As well, management is actively seeking prospective projects for possible acquisition.

ON BEHALF OF THE BOARD

Simon Ridgway,
CEO and Director

Contact: Bruce Smith

Neither the TSX Venture Exchange nor the Investment Industry Regulatory Organization of Canada accepts responsibility for the adequacy or accuracy of this release.

Forward-Looking Statements

Certain statements contained in this news release constitute forward-looking statements within the meaning of Canadian securities legislation. All statements included herein, other than statements of historical fact, are forward-looking statements and include, without limitation, statements about possible property acquisitions and other plans of the Company. Often, but not always, these forward looking statements can be identified by the use of words such as "estimate", "estimates", "estimated", "potential", "open", "future", "assumed", "projected", "used", "detailed", "has been", "gain", "upgraded", "offset", "limited", "contained", "reflecting", "containing", "remaining", "to be", "periodically", or statements that events, "could" or "should" occur or be achieved and similar expressions, including negative variations.

Forward-looking statements involve known and unknown risks, uncertainties and other factors which may

cause the actual results, performance or achievements of the Company to be materially different from any results, performance or achievements expressed or implied by forward-looking statements. Such uncertainties and factors include, among others, whether the Company will acquire new properties; changes in general economic conditions and financial markets; the Company or any joint venture partner not having the financial ability to meet its exploration and development goals; risks associated with the results of exploration and development activities, estimation of mineral resources and the geology, grade and continuity of mineral deposits; unanticipated costs and expenses; and such other risks detailed from time to time in the Company's quarterly and annual filings with securities regulators and available under the Company's profile on SEDAR at www.sedar.com. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended.

Forward-looking statements contained herein are based on the assumptions, beliefs, expectations and opinions of management, including but not limited to: expectations that the Company will acquire new properties; that the Company's stated goals and planned exploration and development activities will be achieved; that there will be no material adverse change affecting the Company or its properties; and such other assumptions as set out herein. Forward-looking statements are made as of the date hereof and the Company disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or results or otherwise, except as required by law. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, investors should not place undue reliance on forward-looking statements.
