

# Manado Gold Corp. Announces Blockchain Consultant Update

03.01.2018 | [The Newswire](#)

Vancouver, January 3, 2018 - [Manado Gold Corp.](#) ("Manado") (TSX-V: MDO) announces that BAAM Blockchain Ltd. ("BAAM") has identified two possible acquisition targets and presented a proposal for Manado to start a cryptocurrency mining facility from scratch.

Although no formal decisions have been made at this time, Manado's board is enthusiastic and optimistic about a potential cryptocurrency mining business model. Manado will be conducting due diligence on the proposals from BAAM concurrently with its due diligence of traditional mineral exploration properties.

Further due diligence will be subject to Manado completing its previously announced private placement offering (see press release disseminated November 21, 2017).

There is no assurance that Manado will enter the blockchain space on acceptable terms or at all.

## About Manado Gold Corp.

The Company is engaged in the acquisition, exploration and development of mineral properties. The Company currently owns a seventy-five percent (75%) interest in the Clisbako Property.
