

Maya Gold & Silver Announces Proposed Consolidation

08.01.2018 | [Marketwired](#)

MONTRÉAL, QUÉBEC--(Marketwired - Jan. 8, 2018) - Maya Gold & Silver ("Maya" or the "Corporation") (TSX VENTURE:MYA) announces that shareholders of the Corporation ("Shareholders") will be asked to consider, and, if thought appropriate, approve a special resolution authorizing the Corporation to consolidate its issued and outstanding common shares (the "Common Shares") on the basis of up to every four pre-consolidation Common Shares for one post-consolidation Common Share (the "Consolidation"), at the Corporation's special meeting of Shareholders to be held on Friday, February 2, 2018 at 10 a.m., at 1, Place Ville Marie, 40th Floor, Montréal, Québec H3B 4M4 (the "Meeting").

The Board believes that the Consolidation will increase the Corporation's flexibility and competitiveness in the market place and make the Corporation's securities more attractive to a wider audience of potential investors, thereby resulting in a more efficient market for the Common Shares.

There are currently 225,949,781 Common Shares issued and outstanding. Upon the Consolidation becoming effective, it is expected there will be approximately 56,487,445 post-consolidation Common Shares issued and outstanding on a non-diluted basis. Outstanding stock options and share purchase warrants of the Corporation will also be adjusted by the equivalent consolidation ratio and the respective exercise prices adjusted accordingly. The Corporation does not intend to change its name in connection with the proposed Consolidation.

To be adopted, the resolution authorizing the Consolidation (the "Consolidation Resolution") must be passed by the affirmative vote of at least 66 2/3% of the votes cast by Shareholders at the Meeting. The Consolidation is also subject to the approval of the TSX Venture Exchange. The Consolidation Resolution will give the Board the authority to determine not to implement the Consolidation at any time after the Meeting and after receipt of necessary regulatory approvals, but prior to the issuance of the certificate of amendment, without further action on the part of Shareholders.

For more information on the proposed Consolidation and other matters to be considered at the Meeting, Shareholders are encouraged to refer to the Corporation's management information circular dated December 29, 2017 (the "Circular"), which is available on the Corporation's issuer profile on SEDAR at www.sedar.com.
