

# Global Energy Metals To Showcase Cobalt Strategy At Upcoming Vancouver Resource Investment Conference 2018

11.01.2018 | [The Newswire](#)

Vancouver, Jan. 11, 2018 / [Global Energy Metals Corp.](#) TSXV:GEMC | FSE:5GE1 ("Global Energy Metals", the "Company" and/or "GEMC") is pleased to announce that the Company will be showcasing its pure-play cobalt strategy at the upcoming Vancouver Resource Investment Conference 2018 (VRIC2018) being held January 21-22, 2018 in Vancouver, BC.

Representatives of GEMC will be at Booth 840 highlighting the key milestones achieved in 2017 and outlining goals and catalysts for this new year.

On Monday January 22nd at 2pm in Workshop 2, Global Energy Metals' President & CEO, Mitchell Smith, will be joining speakers from other companies involved in the cobalt mining space and presenting in panel format on the "Outlook for Cobalt", its criticality to the electrification of vehicles and need for supply security.

GEMC has a series of strategic initiatives, including strengthening the cobalt resource at the Millennium Cobalt project in Australia and advancing the Werner Lake Cobalt project through a partner funded work program, amongst others, that should significantly increase the Company's long-term growth outlook and enhance its access to not only capital but also strategic partnerships seeking exposure to cobalt.

To schedule a one-on-one meeting with management during the conference please call or email using the contact information below.

Global [Energy Metals Corp.](#) (TSXV:GEMC | FSE:5GE1)

Global Energy Metals is focused on offering security of supply of cobalt, a critical material to the growing rechargeable battery market, by building a diversified global portfolio of cobalt assets including project stakes, projects and other supply sources. GEMC anticipates growing its business by acquiring project stakes in battery metals related projects with key strategic partners. Global Energy Metals currently owns and is advancing the Werner Lake Cobalt Mine in Ontario, Canada and has entered into an agreement to earn-in to the Millennium Cobalt Project in Mt. Isa, Australia.
