

Tower Resources to Present at AME BC Roundup Core Shack on January 22nd & 23rd

17.01.2018 | [The Newswire](#)

VANCOUVER - [Tower Resources Ltd.](#) ("Tower" or the "Company") is pleased to announce that it will be participating in the AME BC Roundup Conference's Core Shack on January 22nd and 23rd. The conference is being hosted at the Vancouver Trade & Convention Center West located at 1050 Canada Place, Vancouver, BC.

Tower will be displaying drill core from its 2017 Rabbit North exploration project located just outside of Kamloops, BC at conference booth #621. Featured core will include part of diamond drill hole RN17-015, which intercepted 247m of 0.51%Cu and 0.34g/t Au.

About Tower Resources

[Tower Resources Ltd.](#) (TWR.V) is a Vancouver-based junior mineral exploration company focused on the discovery and advancement of economic mineral projects, primarily in British Columbia. The company's key exploration assets are Rabbit North, Nechako Gold, Voigtberg and More Creek.

The technical content of this news release has been reviewed and approved by Paola Chadwick, P.Geo - Exploration Manager for the company and qualified person as defined by National Instrument 43-101.

Forward-Looking Statement Caution

This news release contains certain "forward-looking statements", as defined in the United States Private Securities Litigation Reform Act of 1995, and within the meaning of Canadian securities legislation. The Company cautions that forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made and they involve a number of risks and uncertainties. Consequently, there can be no assurances that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. The Company undertakes no obligation to update these forward-looking statements if management's beliefs, estimates or opinions, or other factors, should change, except as required by law. There are numerous risks and uncertainties that could cause actual results and Tower's plans and objectives to differ materially from those expressed in the forward-looking information. The reader is urged to refer to the Company's public disclosure which is available through the Canadian Securities Administrators' System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com for a more complete discussion of such risk factors and their potential effects.
