EnerCom Dallas presenting companies, experts will discuss plans, expectations for 2018

Executives from approximately 40 public and private energy companies and related oilfield service and technology organizations with operations spanning six continents will present their unique strategies for creating value in 2018 and beyond.

Energy economists and other experts representing the U.S. Energy Information Administration, the Federal Reserve Bank of Dallas and the Canadian Consulate in Dallas will provide their insights on a wide range of oil and gas financial topics including U.S. and Canadian petroleum and natural gas exports, global oil and gas supply/demand metrics and economic expectations for the oil and gas sector in 2018-2019.

Institutional buy-side investors who attend EnerCom Dallas will be able to hear and meet with senior management teams from leading independent E&Ps, including U.S., Canadian and international producers and the oilfield service companies supporting them.

Online Registration for EnerCom Dallas is Open

Institutional investors, portfolio managers, financial analysts, CIOs and other investment community professionals who invest in the energy space should register now for the EnerCom Dallas investment conference.

The EnerCom Dallas conference follows EnerCom's familiar 25-minute CEO presentation format, followed by 50-minute Q&A opportunities in separate breakout rooms, one-on-one meeting opportunities for buy-side investors to meet company management teams, networking opportunities and global insight delivered by leading energy economists and strategists.

EnerCom Dallas is in its second year. Last year's EnerCom Dallas conference featured over 600 investment community and oil and gas industry attendees.

Conference Details: Modeled after EnerCom's The Oil & Gas Conference® in Denver, EnerCom Dallas offers investment professionals a unique opportunity to listen to oil and gas company senior management teams update investors on their operational and financial strategies and learn how the leading energy companies are building value in 2018.

The event also provides energy industry professionals a venue to learn about important energy topics affecting the global oil and gas industry. The conference offers healthy dialogue and informal networking opportunities for attendees and presenters.

Conference Location: Tower Club Dallas, 1601 Elm Street, Thanksgiving Tower, 48th Floor, Dallas, Texas 75201

Who Attends the Conference: Institutional and hedge fund investors, private equity investors, energy research analysts, broker/dealers, trust officers, high net worth investors, commercial energy bankers and other energy industry professionals will gather in Dallas for the conference.

One-on-One Meetings: EnerCom works in advance with presenting company management teams to arrange one-on-one meetings with the attending institutional investors and research analysts at the conference venue.

History and Sponsors: EnerCom, Inc. hosted its original energy-focused investment conference, The Oil & Gas Conference®, in 1996 in Denver. 2018 marks EnerCom's 23rd annual Denver oil and gas financial conference. Since its founding, EnerCom has hosted more than 40 successful oil and gas investment conferences in Denver, London, Dallas, Boston and San Francisco.

Global sponsors of EnerCom's Conferences are Netherland, Sewell & Associates; Preng & Associates; Moss Adams LLP; and RS Energy Group. Sponsors of EnerCom Dallas also include: DNB Bank ASA; Haynes and Boone; Fifth Third Bancorp, CIBC and AssuredPartners.

About DNB ASA

DNB is Norway's largest financial services provider, with total assets approaching \$400 billion. The bank has for years been a major provider of capital to the oil & gas industry, growing up literally side by side with the highly prolific fields developed in the Norwegian Sector of the North Sea. The Oslo Energy Office maintains a global financing strategy, and serves this market through multiple offices around the world including Houston, London and Singapore.

Energy Americas, based in Houston, comprises approximately 20 seasoned energy finance professionals. Aside from facilitating the bank's global business strategies, the office concentrates primarily on serving middle market and larger customers in the four principal oil & gas sectors -- upstream, midstream, downstream and service -- as well as in Power and Renewables. The bank offers a variety of financial products, from traditional oil & gas reserve financing, to longer-term capital markets transactions and merger/acquisition advisory services through its broker-dealer arm, DNB Markets, Inc. Ancillary service capabilities include cash management/depository services, as well as commodity and interest rate hedging.

For information on DNB's energy services, please visit the DNB energy website.

About Haynes and Boone

Haynes and Boone, LLP is an energy-focused corporate law firm, providing a full spectrum of legal services to our clients across the oil and gas industry, including the upstream, midstream, and downstream sectors. We serve energy clients from our offices in Texas, Colorado, New York, California, Washington, D.C., London, Mexico City and Shanghai. We work as a team representing U.S. and foreign public and private companies engaged in the dynamic day-to-day work of finding and extracting oil and gas, and the banks, investment funds and other investors that support them.

Our team of more than 100 energy lawyers and landmen understands the U.S. and international physical and financial energy markets, and the firm has been helping operators and lenders complete some of the largest financings and M&A transactions in recent years. With more than 600 attorneys, Haynes and Boone is ranked among the largest law firms in the nation by The National Law Journal, and our energy lawyers have been ranked by publications such as Best Lawyers in America, Chambers and Partners and Who's Who in Energy.
