

# Leading Independent Proxy Advisors ISS and Glass Lewis Recommend Alabama Graphite Securityholders Vote in Favour of Proposed Plan of Arrangement

26.02.2018 | [GlobeNewswire](#)

TORONTO, Feb. 26, 2018 - [Alabama Graphite Corp.](#) (Alabama Graphite or the Corporation) (TSX-V:CSPG) (OTCQB:CSPGF) (FRANKFURT:1AG) today announced that Institutional Shareholder Services Inc. (ISS) and Glass, Lewis & Co., LLC (Glass Lewis), two leading proxy advisory firms, have recommended that the securityholders of Alabama Graphite vote FOR the plan of arrangement (the Arrangement) whereby [Westwater Resources, Inc.](#) (Westwater) (NASDAQ:WWR) will acquire all of the issued and outstanding common shares of Alabama Graphite, at the Corporation's special meeting of securityholders to be held on March 9, 2018 (the Special Meeting).

ISS, for its part, cited the reasonable strategic and financial rationale in recommending that the securityholders of Alabama Graphite vote in favour of the Arrangement. ISS anticipates that the Arrangement will allow shareholders of Alabama Graphite to participate in the growth potential and future value creation of Westwater while also benefitting from Westwater's enhanced capital markets profile and liquidity.

"We are pleased that the proposed plan of arrangement with Westwater has gained the support of ISS and Glass Lewis," said Tyler Dinwoodie, President of Alabama Graphite. "The recommendations of these reputable, independent proxy advisors bolster our belief that this arrangement transaction is the best choice for Alabama Graphite's business, prospects and securityholders going forward."
