

Filo Mining Announces Closing of C\$25.5 Million Financing

28.02.2018 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Feb. 28, 2018) -

NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR RELEASE, PUBLICATION, DISTRIBUTION OR DISSEMINATION DIRECTLY, OR INDIRECTLY, IN WHOLE OR IN PART, IN OR INTO THE UNITED STATES.

[Filo Mining Corp.](#) (TSX VENTURE:FIL)(OMX:FIL) ("Filo Mining" or the "Company") is pleased to announce that that it has completed its previously announced bought deal financing (the "Offering") as well as the previously announced concurrent private placement (the "Concurrent Private Placement") for aggregate gross proceeds of approximately C\$25.5 million.

Pursuant to the Offering, a total of 5,894,231 common shares of Filo Mining ("Shares"), including 124,231 Shares issued pursuant to the exercise of the over-allotment option, were sold at a price of C\$2.60 per Share (the "Issue Price"), for aggregate gross proceeds of approximately \$15.3 million. Pursuant to the Concurrent Private Placement, a total of 3,928,964 Shares, including 82,800 Shares issued to adjust for the partial exercise of the over-allotment option referenced above, were sold at the Issue Price, for an aggregate gross proceeds of approximately C\$10.2 million. The Shares issued pursuant to the Concurrent Private Placement are subject to a statutory hold period in Canada expiring on June 29, 2018.

The Company plans to use the net proceeds from the Offering and the Concurrent Private Placement for exploration and development of the Company's Filo del Sol project and for working capital and general corporate purposes.

The Offering was made through a syndicate of underwriters led by Haywood Securities Inc. and included GMP Securities Inc., Echelon Wealth Partners Inc., Pareto Securities AS, Canaccord Genuity Corp. and Cormark Securities Inc.

Zebra Holdings and Investments S.à.r.l ("Zebra") and Lorito Holdings S.à.r.l ("Lorito" and together with Zebra, the "Significant Shareholders"), are insiders of the Company and held 18.91% and 9.15%, respectively, of the issued and outstanding Shares on a non-diluted basis, prior to the closing of the Offering. Pursuant to the Concurrent Private Placement, Zebra subscribed for 2,758,133 Shares, including 58,133 Shares issued to adjust for the partial exercise of the over-allotment option, being a total of 2,816,266 Shares that permitted the Significant Shareholders to maintain their collective pro rata ownership. Following completion of the Offering and the Concurrent Private Placement, Zebra and Lorito hold 14,538,768 Shares and 5,700,000 Shares, respectively, representing 20.16% and 7.90%, respectively, of the issued and outstanding Shares. Such participation in the Offering is a "related party transaction" as defined in Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* ("61-101"). The Offering is exempt from the formal valuation and minority shareholder approval requirements of 61-101 as neither the fair market value of the securities issued to related parties nor the consideration for such securities exceeds 25% of the Company's market capitalization. The Company did not file a material change report 21 days prior to closing of the Offering as the participation of insiders of the Company in the Offering had not been confirmed at that time.

The securities offered have not been, and will not be, registered under the U.S. Securities Act of 1933, as amended (the "Securities Act") or any U.S. state securities laws, and may not be offered or sold in the United States or to, or for the account of, United States persons absent registration or any applicable exemption from the registration requirements of the Securities Act and applicable U.S. state securities laws. This press release shall not constitute an offer to sell or the solicitation of an offer to buy securities in the United States, nor shall there be any sale of these securities in any jurisdiction in which such solicitation or sale would be unlawful.

ABOUT FILO MINING CORP.

Filo Mining's flagship project is its 100% controlled Filo del Sol Project located on the border between San Juan Province, Argentina and Region III, Chile. Filo del Sol is located between the prolific Maricunga and El Indio Gold Belts, two major mineralized trends that contain such deposits as Caspiche, La Coipa, Veladero and El Indio. The region is mining-friendly and hosts a number of large-scale mining operations. The project area is covered under the Mining Integration and Complementarity Treaty between Chile and Argentina, which provides the framework for the development of cross border mining projects.

Additional Information

Filo Mining is listed on the TSX-V and Nasdaq First North Exchange under the trading symbol "FIL". Pareto Securities AS is the Company's Certified Adviser on Nasdaq First North.

Caution Regarding Forward-Looking Information and Statements:

Certain statements made and information contained herein in the press release constitutes "forward-looking information" or "forward-looking statements" within the meaning of applicable securities legislation (collectively, "forward-looking information"). The forward-looking information contained in this press release is based on information available to the Company as of the date of the press release. Except as required under applicable securities legislation, the Company does not intend, and does not have any obligation, to update this forward-looking information. Generally, this forward-looking information can frequently, but not always, be identified by use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such terms, or phrases or statements that certain actions, events, conditions or results "will", "may", "could", "would", "might" or "will be able to" occur or "be achieved" or the negative connotations thereof.

All statements other than statements of historical fact may be forward-looking statements. Forward-looking information is necessarily based on estimates and assumptions that are inherently subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking information. The Company believes that the expectations reflected in the forward-looking statements and information included in this press release are reasonable but no assurance can be given that these expectations will prove to be correct and such forward-looking statements and information should not be unduly relied upon. This statement and information speaks as of the date of the press release. In particular, this press release contains forward-looking statements or information with respect to the use of proceeds from the Offering and the Concurrent Private Placement, that there will be no material adverse change affecting the Company or its properties and the ability to obtain necessary regulatory authority and approvals. There can be no assurance that such statements will prove to be accurate. The Company's actual results and future events could differ materially from those anticipated in this forward-looking information as a result of the factors discussed in the "Risk Factors" section in the Company's most recent annual information form available at www.sedar.com.

Forward-looking information is based on certain assumptions that the Company believes are reasonable, including that the necessary approvals with respect to the Offering and Concurrent Private Placement will be obtained in a timely manner, that the current price of and demand for commodities will be sustained or will improve, the supply of commodities will remain stable, that the general business and economic conditions will not change in a material adverse manner, that financing will be available when needed on reasonable terms, that the Company will not experience any material labour dispute, accident, or failure of equipment, and that the Company will receive regulatory approvals, permits and licenses, as and when required in a timely manner. These factors are not, and should not be construed as being, exhaustive. Although the Company has attempted to identify important factors that would cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated, or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in these forward-looking statements. All of the forward-looking information contained in this document is qualified by these cautionary statements and is cautioned not to place undue reliance on forward-looking information due to the inherent uncertainty thereof.
