(the "Underwriters") pursuant to which the Underwriters will purchase, on a bought deal basis, 14,600,000 units (the "Units") of the Company at a price of C\$0.48 per Unit (the "Offering Price") for aggregate gross proceeds to the Company of C\$7,008,000 (the "Offering"). Each Unit will consist of one (1) common share (a "Common Share") and one-half (0.5) of a common share purchase warrant (each whole common share purchase warrant a "Warrant"). The net proceeds from the Offering and the Private Placement will be used to fund exploration expenditures at the Company's Ayawilca Project in Peru, as well as for general working capital and corporate purposes.

The Units under the Offering will be offered by way of a short form prospectus to be filed in all the provinces of Canada, except Québec. The Units will also be sold to U.S. buyers on a private placement basis pursuant to an exemption from the registration requirements in Rule 144A of the United States Securities Act of 1933, as amended, and other jurisdictions outside of Canada and the United States provided that no prospectus filing or comparable obligation arises.

The Offering is scheduled to close on or about April 4, 2018 and is subject to certain conditions including, but not limited to, the receipt of all necessary approvals for the Offering including the approval of the TSX Venture Exchange and the securities regulatory authorities.

This press release is not an offer or a solicitation of an offer of securities for sale in the United States.
