

Brazil Minerals, Inc. Retains Kinsley Street Investors for Business Development and Investor Relations

13.03.2018 | [GlobeNewswire](#)

PASADENA, Calif., March 13, 2018 (GLOBE NEWSWIRE) -- Via OTC PR Wire -- [Brazil Minerals Inc.](#) (OTC:BMIX) (the "Company" or "Brazil Minerals") announced today that it has retained financial consulting firm Kinsley Street Investors ("KSI"). KSI provides consulting services to private and public companies in areas such as investor relations, business development, and corporate finance. Under the leadership of Steven J. Weiss, KSI has developed a track record of enhancing shareholder value for numerous NASDAQ and OTC clients. The Company believes that it will highly benefit from KSI's investor relations experience and network of contacts.

Steven Weiss, the CEO of Kinsley Street Investors, commented: "We are excited to join Brazil Minerals as their consulting IR firm, and see high potential within the BMIX Minerals Bank, which includes mineral rights for gold, diamond, lithium, and manganese. Furthermore, new property drilling plans and other expected developments for the remainder of this year jointly call for an awareness strategy to increase market recognition to reach the business goals of the Company."

About Brazil Minerals, Inc.

One of BMIX's subsidiaries is Jupiter Gold. More information on BMIX is at www.brazil-minerals.com. Follow us on Twitter: @BMIXstock.

Safe Harbor Statement

This press release contains forward-looking statements made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. Forward looking statements are based upon the current plans, estimates and projections of [Brazil Minerals Inc.](#)'s management and are subject to risks and uncertainties, which could cause actual results to differ from the forward- looking statements. Such statements include, among others, those concerning market and industry segment growth and demand and acceptance of new and existing products; any projections of production, reserves, sales, earnings, revenue, margins or other financial items; any statements of the plans, strategies and objectives of management for future operations; any statements regarding future economic conditions or performance; uncertainties related to conducting business in Brazil, as well as all assumptions, expectations, predictions, intentions or beliefs about future events. Therefore, you should not place undue reliance on these forward-looking statements. The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: business conditions in Brazil, general economic conditions, geopolitical events and regulatory changes, availability of capital, [Brazil Minerals Inc.](#)'s ability to maintain its competitive position and dependence on key management. This press release does not constitute an offer to sell or the solicitation of an offer to buy any security and shall not constitute an offer, solicitation or sale of any securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction. We advise U.S. investors that mineral rights within the BMIX Mineral Bank have not been studied under U.S. Industry Guide 7 technical specifications, and until a positive study done under such guidelines is completed, no mineral reserves, as such term is defined in those guidelines, must be assumed.
