

Pacific Topaz Resources Ltd. signs definitive Amalgamation Agreement with Western Atlas Resources

27.03.2018 | [CNW](#)

[Pacific Topaz Resources Ltd.](#) ("Pacific" or the "Company") (TSXV: PPZ.H) is pleased to announce that it has signed a definitive amalgamation agreement dated as of March 23, 2018 (the "Amalgamation Agreement") with [Western Atlas Resources Inc.](#) ("Western Atlas" or WA") pursuant to which WA will amalgamate with Pacific's wholly owned subsidiary 1157818 B.C. Ltd., which will continue as one corporation ("Amalco") wholly owned by the Company (the "Amalgamation"). Pursuant to the Amalgamation Agreement, Pacific will consolidate its shares on a 2:1 basis and complete a Financing (defined below) of flow-through shares and non-flow-through units, and, upon completion of the Amalgamation, WA's shareholders will be issued an aggregate of 40,001,567 post consolidated common shares of Pacific ("Pacific Shares") at the post-consolidation exchange ratio (the "Exchange Ratio") of 1.2410 post-consolidation Pacific Shares exchanged for each WA share held by the WA shareholders as at the date of the Amalgamation Agreement.

All options and warrants and other securities entitling holders to acquire common shares of Western Atlas shall be proportionately exchanged for like securities of the resulting issuer (the "Replacement Securities") on a proportional basis to the Exchange Ratio.

Pacific Shareholder approval will not be required according to TSXV Policy 5.2; as the transaction is not a related party transaction and no other circumstances exist which may compromise the independence of the Company or other interested parties; the Company is listed on NEX and shareholder approval of any aspect of the RTO is not required under applicable corporate laws and is not required under applicable Securities Laws.

After giving effect to the Amalgamation and the proposed Financing (discussed below), it is expected that former WA shareholders will hold approximately 65% of the current issued and outstanding Pacific shares.

Proposed Financing:

Concurrent with the Amalgamation, Pacific will have consolidated its shares on a 2:1 basis and then complete a private placement financing (the "Financing") of subscription receipts ("Subscription Receipts") at a post-consolidation price of C\$0.20 per subscription receipt for aggregate gross proceeds of not less than C\$3,000,000. Subscription Receipts will be exchangeable for either:

- a. a flow-through share ("FT Share"), exchangeable into one flow-through common share of the Resulting Issuer; or
- b. a non-flow-through unit ("Subscription Unit"), exchangeable into a unit of the Resulting Issuer, which is further exchangeable into one non-flow-through share plus one-half of a non-flow-through warrant, with each such whole warrant entitling the holder to purchase one share of the Resulting Issuer at C\$0.30 for 24 months.

Participants in the Financing will subscribe for Pacific shares. On completion of the Amalgamation, Western Atlas will be a wholly-owned subsidiary of the resulting issuer. On Closing the name of Pacific will be changed to Western Atlas's current name or another name acceptable to both parties.

It is anticipated that a portion of the Resulting Issuer shares may be subject to a voluntary escrow or the escrow requirements of the TSX Venture Exchange ("TSXV"), or any combination thereof.

Michael Kennedy, Director of Pacific, commented: "I am delighted to present this opportunity to our shareholders. WA's Meadowbank and Committee Bay assets are exciting opportunities in a compelling jurisdiction that are on-trend with significant discoveries. The team behind WA are proven company builders and we look forward to releasing the inherent value of WA's assets and team to our shareholders."

The Amalgamation constitutes an Arm's Length Transaction under the policies of the Exchange.
