VANCOUVER, British Columbia, April 02, 2018 (GLOBE NEWSWIRE) -- Further to its news release of March 15, 2018, [Esrey Resources Ltd.](#) (the "Company") announces the closing of the first tranche of its previously announced private placement. The Company issued 12,725,000 units at \$0.20 per unit for proceeds of \$ 2,545,000 (the "Initial Closing"). The securities issued in the Initial Closing will be subject to a hold period expiring July 30, 2018.

Each unit is comprised of one common share and one share purchase warrant (a "Warrant"). Each Warrant gives the holder the right to acquire a further common share of the Company at a price of \$0.40 for a term of 5 years. The expiry of the Warrants may however be accelerated at the election of the Company in circumstances where, at any time following 4 months from the Initial Closing (July 30, 2018), the closing price of the Company's shares on the TSX Venture Exchange is equal to or greater than \$0.75 for 20 consecutive trading days. In such case, the Company may give notice to the holders of the Warrants that the Warrants will expire 30 days following such notice.

The net proceeds of the Initial Closing will be used for further development of the Company's zinc projects in the Balkans and for general working capital.

On behalf of the Board of Directors,

David Cohen  
Chairman of the Board  
Interim President and CEO
