

Millennial Lithium Corp. Begins Trading on the OTCQX Best Market

03.04.2018 | [Newsfile](#)

Vancouver, April 3, 2018 - [Millennial Lithium Corp.](#) (TSXV:ML) (OTCQX: MLNLF) ("Millennial" or the "Company") is pleased to announce that the Company has qualified to trade on the OTCQX Best Market, operated by OTC Markets Group Inc. As of market open April 3, 2018, Millennial will begin trading on OTCQX under the symbol "MLNLF" and will continue to trade on the Toronto Venture Exchange under the symbol "ML"

The OTCQX Best Market provides future and existing U.S based Millennial shareholders with simple and trustful trading of shares and convenient access to its new and current financial disclosures.

"Congratulations to [Millennial Lithium Corp.](#) on upgrading to the OTCQX Best Market," said Jason Paltrowitz, Executive Vice President of Corporate Services at OTC Markets Group. "We are pleased to see [Millennial Lithium Corp.](#) utilize the OTCQB Venture Market to build their company's visibility and graduate to the OTCQX Best Market. We look forward to continuing to support the company and its investors in the U.S."

"Upgrading to the OTCQX Best Market will generate greater exposure and accessibility for Millennial's expanding US shareholder base. We look forward to working with the OTC Markets Group to further broaden the Company's exposure to US shareholders," Millennial's President and CEO Farhad Abasov.

Additional information concerning Millennial is contained in documents filed by Millennial with Canadian securities regulators under Millennial's profile at www.sedar.com.

This news release may contain certain "Forward-Looking Statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995 and applicable Canadian securities laws. When used in this news release, the words "anticipate", "believe", "estimate", "intend", "expect", "target", "plan", "forecast", "may", "schedule" and similar words or expressions identify forward-looking statements or information. These forward-looking statements or information may relate to future prices of lithium, commodities, accuracy of mineral or resource exploration activity, reserves or resources, regulatory or government requirements or approvals including approvals of title and mining rights or licenses, the reliability of third party information, continued access to mineral properties or infrastructure, currency risks including the exchange rate of USD\$ for Cdn\$, fluctuations in the market for lithium, changes in exploration costs and government royalties or taxes in Argentina and other factors or information. Such statements represent the Company's current views with respect to future events and are necessarily based upon a number of assumptions and estimates that, while considered reasonable by the Company, are inherently subject to significant business, economic, competitive, political and social risks, contingencies and uncertainties. Many

factors, both known and unknown, could cause results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements. The Company does not intend, and does not assume any obligation, to update these forward-looking statements or information to reflect changes in assumptions or changes in circumstances or any other events affecting such statements and information other than as required by applicable laws, rules and regulations.
