

Fundamental Research Corp. Publishes Its IP Research Report and Recommendation on American Manganese Inc.'s LIB Recycling Opportunity

14.04.2018 | [FSCwire](#)

Vancouver, British Columbia (FSCwire) - Larry W. Reaugh, President and Chief Executive Officer of American Manganese Inc. (American Manganese; or AMY; or the Company), (TSX.V: AMY; Pink Sheets: AMYZF; Frankfurt: 2AM), is pleased to announce that Fundamental Research Corp. (FRC), a Vancouver-based investment research company engaged by the Company, has initiated coverage of American Manganese with its first research report released April 12, 2018.

FRC has given American Manganese a BUY rating.

FRC's research report on AMY was written and produced by senior analyst Siddharth Rajeev, B.Tech (Electronics Engineering), MBA (Finance), CFA, Vice-President and Head of Research. FRC's research department has covered over 300 small and micro-cap companies as well as 150 exempt market/private issues from a broad array of industries including energy, mining, real estate and technology. Mr. Rajeev regularly provides media commentary on the valuation of small cap stocks and industries he covers. He also manages the FRC list of Top Picks, which are the stocks under FRC's coverage which he has the highest conviction level about. These picks have historically helped FRC to a high rating in various third-party analyst performance rankings. Mr. Rajeev is also the co-author of two online courses, including the very successful Evaluation of Junior Mining Companies for Investment Purposes course which is in demand at investment conferences across North America.

About Fundamental Research Corp.

FRC generates and distributes research to a global audience, including investment banks, institutional investors, as well as professional investors and relevant members of the global investment community

The FRC report is currently available to view, or to download, from FRC's website www.researchfrc.com or AMY's website:
