

Trent Mell, President and CEO of First Cobalt Corporation Returns to "Stock Day" with Everett Jolly

24.04.2018 | [GlobeNewswire](#)

PHOENIX, April 24, 2018 (GLOBE NEWSWIRE) -- Uptick Newswire, a leader in international micro-cap coverage and investor communication, welcomed back Trent Mell, President and CEO of [First Cobalt Corp.](#) (TSX-V:FCC) (ASX:FCC) (OTCQB:FTSSF) ("First Cobalt" or the "Company").

"It is a pleasure to have Trent Mell back on the show with us," said Jolly. "Cobalt is an increasingly in demand product with significant growth potential."

[First Cobalt Corp.](#) is exploration and development company with its own functional refinery in North America and through acquisition is growing in size and value. [First Cobalt Corp.](#), formed in early 2017, has been rapidly growing to accommodate increasing cobalt demand.

"Our vision is to be the North American cobalt producer," said Trent Mell, President and CEO. "We have a real positive footprint in Canada and now the USA. Our cobalt is high grade and we are encouraged about the quality of our new mine in Idaho."

About First Cobalt

First Cobalt aims to create the largest pure-play cobalt exploration and development company in the world. The Company controls over 10,000 hectares of prospective land covering over 50 historic mines as well as mineral processing facilities in the Cobalt Camp in Ontario, Canada. The First Cobalt Refinery is the only permitted facility in North America capable of producing cobalt battery materials.

First Cobalt seeks to build shareholder value through new discovery, mineral processing and growth opportunities, with a focus on North America. The Company recently announced a friendly merger with [US Cobalt Inc.](#) (TSX-V:USCO) (OTCQB:USCFF), which remains subject to regulatory approvals. US Cobalt's Iron Creek Project in Idaho has a historic mineral resource estimate (non-compliant with NI 43-101) of 1.3M tons grading 0.59% cobalt.

Cautionary Note Regarding Forward-Looking Statements

This news release may contain forward-looking statements and forward-looking information (together, "forward-looking statements") within the meaning of applicable securities laws and the United States Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical facts, are forward-looking statements. Generally, forward-looking statements can be identified by the use of terminology such as "plans", "expects", "estimates", "intends", "anticipates", "believes", or variations of such words, or statements that certain actions, events or results "may", "could", "would", "might", "occur" or "be achieved". Forward-looking statements involve risks, uncertainties and other factors that could cause actual results, performance and opportunities to differ materially from those implied by such forward-looking statements. Factors that could cause actual results to differ materially from these forward-looking statements include expectation of future demand, the reliability of the historical data referenced in this press release and risks set out in First Cobalt's public documents, including in each management discussion and analysis, filed on SEDAR at www.sedar.com. Although First Cobalt believes that the information and assumptions used in preparing the forward-looking statements are reasonable, undue reliance should not be placed on these statements, which only apply as of the date of this news release, and no assurance can be given that

such events will occur in the disclosed times frames or at all. Except where required by applicable law, First Cobalt disclaims any intention or obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

About Uptick Newswire and the "Stock Day" Podcast

Uptick Newswire is a private company reaching out to the masses keeping investors and shareholders up to date on company news and bringing transparency to the undervalued, undersold, micro-cap stocks of the market and is the sole producer of the Uptick Network “Stock Day” Podcast. The Uptick Network “Stock Day” Podcast is an extension of Uptick Newswire and has recently launched the Video Interview Studio located in Phoenix, Arizona with its new host Kathryn Donnelly.
