Vancouver, May 11, 2018 - Earth Innovations Inc., a wholly-owned subsidiary of [International Zeolite Corp.](#) (TSXV: IZ) (OTCQB: IZCFF) (FSE: ZEON), is pleased to announce an agreement with a major American retailer for a sales pilot of ecoTraction®; the Company's flagship product. This agreement:

- Introduces ecoTraction®; to more urban markets
- Compliments existing distribution through Do It Best Stores and WM Grainger Ltd.
- Leverages product and brand marketing efforts

"The response to our product offering at the National Hardware Show has been excellent," said Earth Innovations President, Stephen Coates. "We are very excited to leverage our corporate marketing efforts in the USA with the potential of expanding distribution of ecoTraction®; through one of America's premier retailers. This first-step opportunity will further expand our reach in one of America's major winter markets."

Following negotiations and completion of formal supplier arrangements, the Company will launch a marketing campaign to support ecoTraction®; in the agreed pilot market. Understanding that a retail supply arrangement is only the beginning of the sales process, Earth Innovations is committed to supporting its products in the marketplace with marketing, merchandizing and co-promotion support.

ecoTraction®; is a leading alternative to road salt and chemical ice-melters, providing a sandpaper-like traction to icy steps, walkways and pavements in winter temperatures as low as -50 degrees. EcoTraction®; is a natural, safe and environmentally beneficial winter traction product, sourced and packaged in both the USA and Canada.

[International Zeolite Corp.](#) is a producer and distributor of natural and value-added zeolite and is committed to developing high-quality sustainable environmentally beneficial products that deliver exceptional value and performance.
