TORONTO, May 24, 2018 - [Newstrike Resources Ltd.](#) (the "Company"; or the "Company"), (TSXV:HIP) is pleased to announce that further to its press release on May 24, 2018, the Company, and Cormark Securities Inc. and INFOR Financial Inc. (the "Co-Lead Underwriters"), on behalf of a syndicate of underwriters (together with the Co-Lead Underwriters, the "Underwriters") have agreed to increase the size of its previously announced \$40 million "bought deal" offering. Pursuant to the upsized deal terms, the Underwriters have agreed to purchase, on a "bought deal basis" 60,000,000 units ("Units") from the treasury of the Company, at a price of \$0.75 per Unit (the "Offering Price") for aggregate gross proceeds of \$45 million (the "Offering").

Each Unit will consist of one common share (each a "Common Share") of the Company and one-half of one Common Share purchase warrant (a "Warrant") of the Company. Each Warrant will entitle the holder thereof to purchase one Common Share at a price equal to \$1.00, for a period of 60 months following the Closing Date (as hereinafter defined).

The Company has granted the Underwriters an option ("Over-Allotment Option"), exercisable in whole or in part, to purchase up to an additional 9,000,000 Units from the treasury of the Company at the Offering Price exercisable at any time on or up to 30 days following the closing of the Offering, for market stabilization purposes and to cover over-allotments, if any. In the event that the Over-Allotment Option is exercised in its entirety, the aggregate gross proceeds of the Offering shall be \$51,750,000.

Closing of the Offering is expected to occur on or about June 14, 2018 (the "Closing") and is subject to regulatory approval including that of the TSX Venture Exchange.

The Units to be issued under the Offering will be offered by way of a short form prospectus in each of the provinces of Canada, except Quebec, and may be offered in the United States on a private placement basis pursuant to an exemption from the registration requirements of the United States Securities Act of 1933, as amended, and applicable state securities laws, and certain other jurisdictions outside of Canada and the United States.

This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. This news release does not constitute an offer of securities for sale in the United States. The securities being offered have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and such securities may not be offered or sold within the United States absent registration under U.S. federal and state securities laws or an applicable exemption from such U.S. registration requirements.
