The Company intends to meet the listing requirements for a "Tier 2" technology issuer on the TSX Venture Exchange and will be a blockchain technology company, with its initial business being cryptocurrency mining (described in further detail below).

Change of Name and Stock Symbol, Resumption of Trading

Change of Business Transaction

The Company is completing the Change of Business by acquiring cryptocurrency mining rigs and other equipment necessary to commence cryptocurrency mining operations. The Company also intends to negotiate and execute the agreements necessary to commence cryptocurrency mining operations, such operations to be hosted and managed at a third-party data center located in Edmonton, Alberta.
