Dr. Elena Clarici is a mining engineer, with a B.Eng in mining gained at University of Belgrade in 1989. She also holds a PhD in Mining and Environmental Engineering from the Royal School of Mines of the Imperial College of Science and Technology, obtained in 1994. She is founder, president and CEO of Micah Minerals Corp., a Canadian private company, since 2016. From 2013 to 2015, she has been a director and Board Member of TSX-V listed [Barkerville Gold Mines Ltd.](#), and briefly interim CEO in 2014. She is a former chair of Association of Mining Analysts and a regular contributor to financial and mining media.

"Dr. Clarici is an accomplished investment professional, with over 20 years of experience gained across international equity capital markets, focusing principally on investment management in mining and emerging markets (Africa). Her extensive knowledge and experience coupled with her strong core values and work ethic will serve the company as we strive to achieve our goals. Elena is a valued addition to our organization. This key appointment further strengthens the quality of the Maya Board," stated Noureddine Mokaddem, founder, president and CEO of Maya.

At the same time, Maya's Board, in recognition of the key and decisive role played by Noureddine Mokaddem since the creation of the company with all its acquisitions, their development and their put into production; has decided to qualify him as founder, president & CEO of Maya Gold&Silver.

The Board granted options to Elena Clarici, to subscribe 40,000 common shares at \$3.30, for a period of five years.

The Board sincerely thanks Eric Swenden who did not stand for re-election, for his dedicated service as a director of the Corporation.

ABOUT MAYA

Maya Gold & Silver Inc. is a Canadian publicly listed mining corporation focused on the exploration and development of gold and silver deposits in Morocco. Maya has initiated mining and milling operations at its Zgounder Mine owned by Zgounder Millennium Silver Mining, a Maya 85% owned joint venture with "Office National des Hydrocarbures et des Mines of the Kingdom of Morocco (15%).

The Boumadine property, a joint venture with ONHYM, whereby Maya owns 85% of the polymetallic deposit is located in the Anti-Atlas Mountains of eastern Morocco. ONHYM awarded Boumadine to Maya after evaluating international tenders.

The Maya portfolio also includes the Amizmiz and Azegour properties, 100% Maya owned, gold, tungsten, molybdenum and copper deposits, covering over 100 square kilometres in a historical mining district with both precious and base metal mineralization.
