QUITMAN, July 10, 2018 - [Northern Minerals & Exploration Ltd.](#) (Stock Symbol:NMEX) is pleased to announce the expansion of the Board of Directors and Officers.

On Friday, July 6, 2018, Howard Siegel, sole director of the Company, added Noel Schaefer and Victor Miranda to the Board of Directors effective immediately. The new Board of Directors appointed a new slate of officers as follows:

- Ivan Webb, Chief Executive Officer
- Victor Miranda, Chief Financial Officer
- Noel Schaefer, Chief Operations Officer
- Roger Autrey, VP Business Development & Secretary
- Mark Seitz, VP Director of Operations

Ivan Webb, Chief Executive Officer (“CEO”), has served as Vice President of the Company since August 2014. He has over 40 years in all aspects of the petroleum industry ranging from leasing large concessions in Australia to drilling and operating producing wells in Texas. He has management experience for both public and private company startups from incorporation through private or public funding programs in the capacity as an officer and director. He has also been the project leader on international exploration projects for oil and gas, gold and bauxite. He holds a BBA degree from Tarleton State University, a branch of the Texas A&M System.

Victor Miranda, Chief Financial Officer (“CFO”), is a CEO of an insurance broker firm, passionate about ventures developing USA/MEXICO cross border opportunities. He has 15 years of hands on experience in the sales management for the financial sector, with particular focus on developing a savers culture through employee benefits, and 7 years developing successful real estate development projects in Quintana Roo. Quintana Roo is the State in Mexico where the Pemex Bacalar property is located.

Noel Schaefer, Chief Operations Officer (“COO”), has served in a variety of executive and director positions in his 30 plus year career with both domestic and international companies. His emphasis has been with startups by setting up market profiles, developing strategic market placement and refining corporate objectives. Mr. Schaefer has successfully helped to raise funds from both the public and private sectors. He has worked extensively in Far East and Latin America with a particular focus on Mexico. He holds a Bachelor of Science degree from Brigham Young University with an emphasis in Marketing and Finance.

Roger Autrey, VP Business Development & Secretary, has more than 25 years of experience in international oil and gas operations, including sales, marketing, and acquisitions through privately operated and publicly traded oil and gas companies. He has personally identified, evaluated and recommended new prospects being offered by government agencies internationally. He has been involved in private bids resulting in successful awards of over 250,000,000 gross acres, both onshore and offshore Australia and is active in several projects in Australia and Africa.

Mark Seitz, VP Director of Operations, has over 34 years as an engineering manager, has experience in all facets of the petroleum industry, including managing, supervising, engineering, drilling and production. He holds a Bachelor of Science degree in Petroleum Engineering from the Colorado School of Mines. He has prepared, implemented and audited Quality Assurance and Quality Control Standards. He has vast experience in international endeavors where he developed strategies to train and utilize national staff at all levels.

Ivan Webb, CEO, reports that he is very pleased with the additions to the Board of Directors and the expansion of the officers. He further stated he looks forward to working together in building NMEX with this professional team. It is also important to note that both Mr. Miranda and Mr. Schaefer have extensive working experience in real estate developments in Mexico.
