

# Minfocus Exploration Corp. Announces TSXV Approval of Share Consolidation

30.07.2018 | [FSCwire](#)

Toronto, July 30, 2018 - [Minfocus Exploration Corp.](#) (TSX-V: MFX) (“Minfocus” or “Company”) is pleased to announce that the TSX Venture Exchange (the “TSXV”) has approved a share consolidation of the outstanding capital of the Company (the “Consolidation”) of the Company’s common shares on the basis of seven (7) pre-Consolidation common shares for one (1) post-Consolidation common share.

The Consolidation will be effective at the open of the market on August 1, 2018 (the “Effective Date”). The Company will not change its name as part of the Consolidation but will issue new share certificates under a new CUSIP number, which is 603477209 (ISIN: CA603477209). The Company’s common shares will continue to trade on the the Exchange under its current symbol, “MFX”.

The Company currently has 76,915,424 common shares issued and outstanding. As at the Effective Date, the Company will have approximately 10,987,918 post-Consolidated common shares issued and outstanding.

## About Minfocus Exploration Corp.

Minfocus Exploration Corp. is a Canadian company currently advancing a portfolio of base-metal projects including three Mississippi-Valley-Type zinc projects in British Columbia and Newfoundland and a Platinum Group Element (“PGE”)–enriched Ni-Cu-Pt-Pd project in N.W. Ontario. Minfocus has a successful management group with a record of multiple discoveries of deposits worldwide, including gold and uranium deposits in Mongolia and PGE-rich resources in Ontario, including the discovery of the first platinum-rich Ni-Cu-Pt-Pd deposit in the Midcontinent Rift, the Current Lake deposit (+700,000 oz. Pt-Eq).

*Neither the TSX Venture Exchange nor its Regulatory Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this press release.*

*This press release includes certain forward-looking statements concerning the future performance of the Company’s business and operations as well as management’s objectives, strategies, beliefs and intentions. Forward-looking statements are often identifiable by the use of words such as “may”, “will”, “might”, “would”, “plan”, “believe”, “expect”, “anticipate”, “intend”, “estimate”, “scheduled”, “forecasts” and similar expressions or variations (including negative variations) of such words and phrases. Forward-looking statements are based on the current opinions and expectations of management, and are subject to a number of risks and uncertainties that may cause actual results, performance or achievements of the Company to be materially different from those currently anticipated by such statements. Factors that could cause actual results or events to differ materially from current expectations include, among other things, the possibility that future exploration results will not be consistent with the Company’s expectations, fluctuating commodity prices, delays in commencing the Company’s proposed drilling program, exploration costs varying significantly from estimates, the availability of financing, and other risks identified in the Company’s documents filed with the Canadian securities regulatory authorities at [www.sedar.com](#). Any forward-looking statement speaks only of the date on which it is made, and except as may be required by applicable securities laws, the Company*

*disclaims any intent or obligation to update any forward-looking statement.*
