

Sprott Resource Holdings Inc. Announces Common Share Consolidation

13.08.2018 | [GlobeNewswire](#)

TORONTO, Aug. 13, 2018 - (TSX: SRHI) - [Sprott Resource Holdings Inc.](#) ("SRHI" or the "Company") today announced that it is proceeding with its proposed consolidation (the "Share Consolidation") of its share capital on the basis of twenty (20) existing common shares for one (1) new common share. The Share Consolidation was previously approved by shareholders at a meeting held on May 10, 2018 and has been conditionally approved by the Toronto Stock Exchange (the "TSX").

The Board of Directors of SRHI believes that establishing a higher market price for the Company's common shares could increase investment interest for the common shares in equity capital markets by potentially broadening the pool of investors that may consider investing in the Company, including investors whose internal investment policies prohibit or discourage them from purchasing stocks trading below a certain minimum price.

Currently, a total of 681,680,846 common shares in the capital of SRHI are issued and outstanding. Accordingly, once put into effect on the basis of twenty (20) existing common shares for one (1) new common share, a total of approximately 34,084,042 common shares in the capital of SRHI would be issued and outstanding, assuming no other change in the issued capital. No fractional shares will be issued in connection with the Share Consolidation. The Share Consolidation is anticipated to become effective today.

The Company's common shares are expected to begin trading on the TSX on a consolidated basis under the same trading symbol (SRHI) on or about August 15, 2018. The new CUSIP and ISIN numbers for the consolidated shares are 85209D408 and CA85209D4084, respectively. Shareholders who hold their shares through a securities broker or dealer, bank or trust company, will not be required to take any action with respect to the Share Consolidation. A letter of transmittal was mailed to the registered holders of the Company's common shares on April 18, 2018, requesting that those shareholders forward their pre-consolidation share certificates to the Company's transfer agent, TSX Trust Company, to be exchanged for new share certificates representing their common shares on a post-consolidation basis. The letter of transmittal can be found on the Company's website at <http://sprott.com/investment-strategies/sprott-resource-holdings/investor-information/2018-agm/> and under the Company's profile on SEDAR at www.sedar.com.

The Share Consolidation will also affect the Company's issued warrants and granted stock options at the effective date. At the time of the Share Consolidation, the number, exercise price or exchange basis of all warrants and stock options will be adjusted, as applicable, to reflect the twenty-for-one Share Consolidation.

Please refer to the management information circular of the Company dated March 27, 2018 for additional details on the Share Consolidation. The circular is available on the Company's website at <http://sprott.com/investment-strategies/sprott-resource-holdings/investor-information/2018-agm/> and under the Company's profile on SEDAR at www.sedar.com.
