Magna Gold Corp. Announces Closing of Initial Public Offering

15.08.2018 | GlobeNewswire

TORONTO, Aug. 15, 2018 - Magna Gold Corp. (TSXV: MGR.P) (the "Corporation"), is pleased to announce that it has completed its initial public offering (the "Offering") of 2,000,000 common shares ("Common Shares") in the capital of the Corporation at a purchase price of \$0.10 per Common Share by way of a prospectus for gross proceeds of \$200,000.

Arturo Bonillas, President and CEO of the Corporation, commented, "We are pleased to complete the Offering and we thank our investors and advisors for their support. We are proud of our team of seasoned management, strategic investors and other supporters and we look forward to completing a successful qualifying transaction."

The Corporation is a Capital Pool Company as defined in the policies of the TSX Venture Exchange (the "Exchange"). To date, the Corporation has not conducted operations of any kind and has not entered into an "Agreement in Principle", as such phrase is defined in TSXV Policy 2.4 – Capital Pool Companies.

When combined with the Corporation's cash proceeds raised prior to the Offering (\$2,372,500 in seed financing as more fully described in the Corporation's prospectus dated June 29, 2018), the Corporation has raised total gross proceeds of \$2,572,500 and has a total of 27,075,000 Common Shares issued and outstanding, of which 6,250,000 Common Shares are being held in escrow pursuant to Exchange Policy 2.4 – Capital Pool Companies. The net proceeds will be used to identify and evaluate assets of businesses for acquisition with a view to completing a "Qualifying Transaction" under the Capital Pool Company program of the Exchange.

M Partners Inc. (the "Agent") acted as agent in connection with the Offering. For its services, the Agent received an administrative fee equal to \$35,000 (plus H.S.T.) and a cash commission equal to 10% of the gross proceeds of the Offering.

In addition, the Corporation granted an aggregate of 200,000 stock options to its directors and officers at an exercise price of \$0.10 per share for a period of five years from the date of grant.

It is expected that the Common Shares will be admitted for trading on the Exchange under the trading symbol "MGR.P" and commence trading shortly.
