

WestKam Gold Commences Drilling on Bonaparte Property

10.09.2018 | [GlobeNewswire](#)

VANCOUVER, Sept. 10, 2018 - WestKam Gold Corp. (TSX-V:WKG) (the "Company" or "WestKam") is pleased to report that it has commenced a drill program on its Bonaparte Property located near Kamloops, BC.

The program is focused on further evaluation of the Crow Vein structure. This program brackets the location of the proposed underground stope and ventilation raise. The program consists of up to 12 drill holes totaling up to 1000 m just east of the open pit where a previous bulk sample was extracted. Management expects to obtain important information that will guide future work programs on the property.

Technical information in this news release has been reviewed by R. Kemp P.Geo., a qualified person as that term is defined in NI 43-101.

WestKam Gold Corp.

WestKam is a Canadian gold exploration company focused on developing the Bonaparte Gold Project near Kamloops, British Columbia. Additional information can be found on the Company's website at www.westkamgold.com.

Forward-looking information

All statements included in this press release that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future are forward-looking statements. In particular, this news release contains forward-looking information regarding the Offering and the use of proceeds of the Offering. These forward-looking statements involve numerous assumptions made by the Company based on its experience, perception of historical trends, current conditions, expected future developments and other factors it believes are appropriate in the circumstances. These assumptions include, but are not limited to: TSXV acceptance of the Offering; future costs and expenses being based on historical costs and expenses, adjusted for inflation; and market demand for, and market acceptance of, the Offering. In addition, these statements involve substantial known and unknown risks and uncertainties that contribute to the possibility that the predictions, forecasts, projections and other forward-looking statements will prove inaccurate, certain of which are beyond the Company's control. Readers should not place undue reliance on forward-looking statements. Except as required by law, the Company does not intend to revise or update these forward-looking statements after the date hereof or revise them to reflect the occurrence of future unanticipated events.
