Forward-Looking Statements

Certain information contained in this news release constitutes forward looking information. All information other than information of historical fact is forward looking information. The use of any of the words "intend", "anticipate", "plan", "continue", "estimate", "expect", "may", "will", "project", "should", "would", "believe", "predict" and "potential" and similar expressions are intended to identify forward looking information. This information involves known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward looking information. No assurance can be given that this information will prove to be correct and such forward looking information included in this news release should not be unduly relied upon.

Forward looking information is subject to a number of risks and other factors that could cause actual results and events to vary materially from that anticipated by such forward looking information. Although [Itafos](#) has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. Factors that may cause actual results to differ materially from expected results described in forward-looking statements include, but are not limited to those risk factors set out in [Itafos](#)'s corporate presentation, Management Discussion and Analysis and other disclosure documents available under its profile at www.sedar.com. Readers are cautioned that the foregoing list of risks, uncertainties and assumptions are not exhaustive. The forward looking information included in this news release is expressly qualified by this cautionary statement and is made as of the date of this news release. [Itafos](#) undertakes no obligation to publicly update or revise any forward looking information except as required by applicable securities laws.

NEITHER THE TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT

TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE.
