

LKA Gold Releases New Project Video Entitled "The Greatest Treasure Hunt In The West"

20.09.2018 | [PR Newswire](#)

New video details the remarkable history of the Company's Golden Wonder mine and expectations for the next big discovery.

GIG HARBOR, Sept. 20, 2018 - [LKA Gold Inc.](#) (OTCQB:LKAI) is pleased to release, for the first time, a video that recounts the remarkable true history of the Golden Wonder mine and the current exploration efforts to find additional bonanza-grade ore deposits.

According to LKA's President, Kye Abraham, "So much of our time and effort is focused on details of the mine's commercial production and our exploratory efforts, that we've neglected to discuss this property's truly remarkable history. It still amazes me after all these years….nearly 36 years since we started on this quest."

About LKA's video, "The Greatest Treasure Hunt In The West."

The information contained in the video is believed to be accurate based on historical records and current documentation but does not purport to be a complete or comprehensive history of the Golden Wonder Mine. Regrettably, the involvement of several persons and companies who made substantial contributions to the property's development were not mentioned due to production script and time constraints. Any questions should be directed to LKA.

About LKA's Golden Wonder Operations

Details and discussion of the LKA's on going exploration program (including previous commercial production) can be found on the LKA website at: <http://lkagold.com> or in the "President's Email Updates" at: <http://lkagold.com/presidents-message/>

Safe Harbor Statement

Any views or opinions expressed in this press release are exclusively those of LKA management and do not represent Kinross' assessments or conclusions. LKA's plans to resume Golden Wonder production are subject to a number of conditions including, but not limited to, favorable geology, successful exploration efforts, favorable financing terms/availability, permits, government regulation, gold prices, market conditions, etc. Investment in LKA must be considered highly speculative. Mining and related activities are inherently high-risk endeavors and there can be no assurance that LKA will be successful. Forward-looking statements in this release are made pursuant to the 'safe harbor' provisions of the Private Securities Litigation Reform Act of 1995 and the Bespeaks Caution Doctrine. Investors are cautioned that the Company continues to generate substantial losses and additional funding and exploration work is required. A commercially viable ore reserve has yet to be established.
