

# Abitibi Royalties Inc.: Announces Normal Course Issuer Bid

26.09.2018 | [GlobeNewswire](#)

VAL-D&rsquo;OR, Sept. 26, 2018 - Abitibi Royalties Inc. (RZZ-TSX-V: &ldquo;Abitibi Royalties&rdquo; or the &ldquo;Company&rdquo;) is pleased to announce that it has received conditional acceptance from the TSX Venture Exchange (&ldquo;TSX-V&rdquo;) to conduct the normal course issuer bid (the &ldquo;2018 NCIB&rdquo;). Under the 2018 NCIB, Abitibi Royalties may purchase for cancellation, from time to time at its discretion, up to 626,306 of its issued and outstanding common shares (representing 5% of Abitibi Royalties&rsquo; issued and outstanding common shares as of September 25, 2018). Purchases will be made on the open market through the facilities of the TSX-V, with TD Securities Inc. conducting the 2018 NCIB on behalf of Abitibi Royalties.

Abitibi Royalties is of the view that repurchase of its issued shares, to be returned to treasury for cancellation, is warranted as the trading price of the Company&rsquo;s shares, conservatively calculated, is below management&rsquo;s estimated after tax net present value. Accordingly, the purchase for cancellation of shares by Abitibi Royalties during these times will benefit the remaining shareholders by increasing their proportionate ownership in the Company.

The 2018 NCIB will commence on October 6, 2018, and will terminate on October 5, 2019, or such earlier time as the 2018 NCIB is completed or at the option of Abitibi Royalties. Any shares acquired by Abitibi Royalties pursuant to the 2018 NCIB will be cancelled.

Under the 2018 NCIB, Common Shares may be repurchased in open market transactions on the TSX-V or by such other means as may be permitted by the TSX-V and under applicable Canadian securities laws. The price paid by Abitibi Royalties will be based on the market price at the time of purchase and not higher than the last independent trade of a board lot (board lot = 100 shares). As part of the 2018 NCIB, Abitibi Royalties may enter into a pre-defined plan with its broker (TD Securities Inc.) to allow for the repurchase of shares at times when Abitibi Royalties ordinarily would not be active in the market due to its own internal trading blackout periods, insider trading rules or otherwise. Any such plans entered into with the Company&rsquo;s broker will be adopted in accordance with applicable Canadian securities laws.

In accordance with TSX-V policy, purchases by Abitibi Royalties under the 2018 NCIB are limited, when aggregated with the total of all other purchases in the preceding 30 days, to a maximum of 2% of the Company&rsquo;s issued and outstanding shares at the time the purchases are made.

The actual number of Common Shares which may be purchased and the timing of such purchases will be determined by Abitibi Royalties. Decisions regarding purchases will be based on market conditions, share price, best use of available cash, and other factors including other options to expand the Company&rsquo;s portfolio of assets.

Abitibi Royalties has purchased to date an aggregate 13,500 of its common shares through the facilities of the TSX Venture Exchange under a normal course issuer bid (the &ldquo;2017 NCIB&rdquo;) currently being conducted by the Company, which commenced October 6, 2017 and will end on October 5, 2018. The common shares purchased to date by the Company under the 2017 NCIB were purchased at an average price of \$9.06 per common share. 11,600 of the common shares purchased to date under the 2017 NCIB have been returned to the Company&rsquo;s treasury and cancelled and 1,900 common shares purchased from August 31, 2018 to the date of this release, will be cancelled on September 30, 2018.
