

# Pasinex Resources Announces Funding Instalment Made Under Spur Zinc Project Option Agreement and Incurrence of Additional Related Party Loans

01.10.2018 | [GlobeNewswire](#)

TORONTO, Oct. 01, 2018 - [Pasinex Resources Ltd.](#) (CSE: PSE) (FSE: PNX) ("the Company") today announced that it has received additional funds of \$345,000 from certain shareholders and directors of the Company (the "lenders") adding to the former promissory notes issued in August 2018. The amended promissory notes amount to \$745,000 plus accrued interest of \$3,361. The funds were used to pay the instalment required under the Spur Zinc Project Option Agreement ("Option Agreement") plus general working capital. In September, the Company met its obligation under the Option Agreement and paid to [Cypress Development Corp.](#) and Caliber Minerals Inc. US\$200,000 and issued 2.2 million common shares of the Company.

The amended promissory notes are payable on demand by the lenders and bear interest at 6% per annum, payable quarterly in arrears commencing December 15, 2018. The Company can pre-pay the promissory notes to the lenders, which it plans to do as dividends are received from Horzum AS. The promissory notes are secured by all the property and assets of the Company.

The promissory notes involve shareholders and directors and as a result constitutes 'related party transactions' within the meaning of Multilateral Instrument 61-101 Protection of Minority Security holders in Special Transactions. The promissory notes have been determined to be exempt from the requirements to obtain a formal valuation or minority shareholder approval on the basis that the loan is made on reasonable commercial terms which are not convertible into voting or equity securities of the Company. The Company did not file a material change report 21 days prior to the closing of the loan as the Company considered it in the best interests of the Company to close the loan in order to use the funds prior to that time period.

## About Pasinex

[Pasinex Resources Ltd.](#) is a Toronto-based mining company which owns 50% of the producing Pinargozu high grade zinc mine and, under a Direct Shipping Program, sells to zinc smelters / refiners from its mine site in Turkey. The Company also holds an option to acquire 80% of the Gunman high-grade zinc exploration project in Nevada. Pasinex has a strong technical management team with many years of experience in mineral exploration and mining project development. The mission of Pasinex is to build a mid-tier zinc company based on its mining and exploration projects in Turkey and Nevada.
