

First Legacy Mining Corp. retains Bluesky Corporate Communications Ltd.

17.10.2018 | [CNW](#)

VANCOUVER, Oct. 17, 2018 - [First Legacy Mining Corp.](#) (the "Company") (TSX-V: FLM) is pleased to announce that it has retained Bluesky Corporate Communications Ltd. ("Bluesky"), the principal of which is Todd Hanas, for strategic investor relations and capital markets communications services. Specific duties include initiating and maintaining contact with the investment community, including brokers, existing shareholders, prospective investors, analyst and media contacts.

Todd Hanas is a Canadian marketing and communications/sales specialist with 22 years of experience in all aspects of business communications, corporate identity, corporate finance, investor relations and consulting services for both private and public companies.

Under the terms of the agreement, the Company will pay Bluesky a monthly fee of CAD\$5,000 for ongoing investor relations services. The agreement may be terminated by either party with 10 days' written notice. Bluesky currently owns and controls 100,000 stock options of the Company that were previously granted to Bluesky as a consultant.

The engagement of Bluesky remains subject to the approval of the TSX Venture Exchange.

About First Legacy Mining Corp.

First Legacy Mining Corp. is a mineral exploration company focused on the acquisition, exploration and development of mineral resource properties.

Cautionary Statement Regarding "Forward-Looking" Information.

This news release includes certain statements that constitute "forward-looking information" within the meaning of applicable securities law, including without limitation, statements that address investor relations agreement and the approval by the TSX Venture Exchange and other statements relating to the business prospects of the Company.

Forward-looking statements address future events and conditions and are necessarily based upon a number of estimates and assumptions. These statements relate to analyses and other information that are based on forecasts of future results, estimates of amounts not yet determinable and assumptions of management. Any statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, using words or phrases such as "expects" or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "estimates" or "intends", or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved), and variations of such words, and similar expressions are not statements of historical fact and may be forward-looking statements. Forward-looking statements are necessarily based upon a number of factors that, if untrue, could cause the actual results, performances or achievements of the Company to be materially different from future results, performances or achievements expressed or implied by such statements. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, whether the TSX Venture Exchange will approve the investor relations agreement, anticipated costs and the ability to achieve goals, and that general business and economic conditions will not change in a material adverse manner. While such estimates and assumptions are considered reasonable by the management of the Company, they are inherently subject to significant business, economic, competitive and regulatory uncertainties and risks.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
