## ABOUT GREAT PANTHER

[Great Panther Silver Ltd.](#) is a primary silver mining and exploration company listed on the Toronto Stock Exchange trading under the symbol GPR, and on the NYSE American under the symbol GPL. Great Panther's current activities are focused on the mining of precious metals from its two wholly-owned operating mines in Mexico: the Guanajuato Mine Complex and the Topia Mine. The Company is also advancing towards a decision to restart the Coricancha Mine in Peru with the initiation of a Bulk Sample Program following the completion of a positive Preliminary Economic Assessment in May 2018. In addition, the Company has signed an agreement to acquire all of the issued ordinary shares of gold producer Beadell. The closing of this transaction will create a new emerging intermediate and growth-oriented precious metals producer focused on the Americas with strong geographic diversity across three leading mining jurisdictions, and a diverse asset portfolio including three producing mines, an advanced stage project, and significant exploration potential.
