

Oasis Midstream Partners Announces Quarterly Distribution

30.10.2018 | [PR Newswire](#)

HOUSTON, Oct. 30, 2018 - Oasis Midstream Partners LP (NYSE: OMP) (the "Partnership" or "OMP") declared a quarterly cash distribution of \$0.4300 per unit for the third quarter of 2018. The distribution will be paid on November 27, 2018, to all OMP unitholders of record at the close of business November 9, 2018. The quarterly cash distribution is 5% higher than the cash distribution declared for the second quarter of 2018, and is in line with the Partnership's 20% annualized distribution growth target.

About Oasis Midstream Partners LP

Oasis Midstream is a growth-oriented, fee-based master limited partnership initially formed by Oasis Petroleum (NYSE: OAS) to own, develop, operate and acquire a diversified portfolio of midstream assets in North America that are integral to the oil and natural gas operations of Oasis Petroleum and strategically positioned to capture volumes from other producers. Oasis Midstream's initial assets are located in the Williston Basin area of North Dakota and Montana. For more information, please visit Oasis Midstream's website at www.oasismidstream.com.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements, other than statements of historical facts, included in this press release that address activities, events or developments that the Partnership expects, believes or anticipates will or may occur in the future are forward-looking statements. Without limiting the generality of the foregoing, forward-looking statements contained in this press release specifically include the expectations of plans, strategies, objectives and anticipated financial and operating results of the Partnership, including the Partnership's capital expenditure levels and other guidance included in this press release. These statements are based on certain assumptions made by the Partnership based on management's experience and perception of historical trends, current conditions, anticipated future developments and other factors believed to be appropriate. Such statements are subject to a number of assumptions, risks and uncertainties, many of which are beyond the control of the Partnership, which may cause actual results to differ materially from those implied or expressed by the forward-looking statements. These include, but are not limited to, the Partnership's ability to integrate acquisitions into its existing business, changes in oil and natural gas prices, weather and environmental conditions, the timing of planned capital expenditures, availability of acquisitions, uncertainties in the estimates of proved reserves and forecasted production results of the Partnership's customers, operational factors affecting the commencement or maintenance of producing wells, the condition of the capital markets generally, as well as the Partnership's ability to access them, the proximity to and capacity of transportation facilities, and uncertainties regarding environmental regulations or litigation and other legal or regulatory developments affecting the Partnership's business and other important factors. Should one or more of these risks or uncertainties occur, or should underlying assumptions prove incorrect, the Partnership's actual results and plans could differ materially from those expressed in any forward-looking statements.

Any forward-looking statement speaks only as of the date on which such statement is made and the Partnership undertakes no obligation to correct or update any forward-looking statement, whether as a result of new information, future events or otherwise, except as required by applicable law.
