

Sama joins J P Jenkins Ltd. Trading Platform, London, UK

21.11.2018 | [GlobeNewswire](#)

MONTREAL, Nov. 21, 2018 - [Sama Resources Inc.](#) ("Sama" or the "Company") (TSX-V: SME) is pleased to announce it has been admitted to J P Jenkins Ltd., the oldest share trading platform in UK for unquoted companies, which enables shareholders and prospective investors to trade their shares on a matched bargain basis. J P Jenkins has expanded their services to enable dual admissions from foreign markets.

JPJ's mining specialist, Malcolm Burne said, "We are delighted that Sama Resources is joining our dealing platform in London. J P Jenkins is now able to admit companies from outside the UK and give overseas companies a very valuable UK exposure. Investors will also benefit from having access to an exciting range of different companies which will diversify their portfolios even further."

Marc-Antoine Audet, CEO and President of [Sama Resources Inc.](#) stated "We are very pleased to be selected to join J P Jenkins in the UK. This will allow the market for our shares to expand and give European and British investors the ability to participate in the growth of [Sama Resources Inc.](#)"

About Sama Resources Inc.

Sama is a Canadian-based mineral exploration and development company with projects in West Africa. On October 23, 2017, Sama announced that it had entered into a binding term sheet in view of forming a strategic partnership with HPX TechCo Inc., a private mineral exploration company in which mining entrepreneur Robert Friedland is a significant stakeholder, in order to develop its Côte d'Ivoire Nickel-Copper and Cobalt project in Côte d'Ivoire, West-Africa. Forward-Looking Statements

Certain of the statements made and information contained herein are "forward-looking statements" or "forward-looking information" within the meaning of Canadian securities legislation. Forward-looking statements and forward-looking information are subject to a variety of risks and uncertainties which could cause actual events or results to differ from those reflected in the forward-looking statements or forward-looking information, including, without limitation, the availability of financing for

activities, risks and uncertainties relating to the interpretation of drill results and the estimation of mineral resources and reserves, the geology, grade and continuity of mineral deposits, the possibility that future exploration, development or mining results will not be consistent with the Company's expectations, metal price fluctuations, environmental and regulatory requirements, availability of permits, escalating costs of remediation and mitigation, risk of title loss, the effects of accidents, equipment breakdowns, labour disputes or other unanticipated difficulties with or interruptions in exploration or development, the potential for delays in exploration or development activities, the inherent uncertainty of cost estimates and the potential for unexpected costs and expenses, commodity price fluctuations, currency fluctuations, expectations and beliefs of management and other risks and uncertainties.

In addition, forward-looking statements and forward-looking information are based on various assumptions. Should one or more of these risks and uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in forward-looking information or forward-looking statements. Accordingly, readers are advised not to place undue reliance on forward-looking statements or forward-looking information. Except as required under applicable securities legislation, the Company undertakes no obligation to publicly update or revise forward-looking statements or forward-looking information, whether as a result of new information, future events or otherwise.
