

Teck Named to 2019 Global 100 Most Sustainable Corporations List

22.01.2019 | [GlobeNewswire](#)

VANCOUVER, British Columbia, Jan. 22, 2019 - [Teck Resources Ltd.](#) (TSX: TECK.A and TECK.B, NYSE: TECK) (“Teck”) has been recognized as one of the 2019 Global 100 Most Sustainable Corporations by media and investment research company, Corporate Knights. Teck was the top-ranked company in the Metals and Mining category.

“Teck is committed to producing the materials essential to building a better quality of life for people around the world in a responsible and sustainable manner,” said Don Lindsay, President and CEO. “This recognition is made possible by the hard work of our employees, who are focused on strengthening communities, protecting the environment, and contributing to a better world.”

The Global 100 companies are selected from all publicly traded companies with annual revenues of US\$1 billion or more. Companies were evaluated based on a range of sector-specific sustainability metrics, such as clean revenue percentage, water, energy and carbon productivity, and safety performance, as well as financial strength and business sustainability. More information can be found here: www.corporateknights.com/reports/global-100.

Teck has also been named one of the Best 50 Corporate Citizens by Corporate Knights for the past 12 years and has been named to the Dow Jones Sustainability World Index (DJSI) for the last nine years.
