

Buenaventura Announces Resumption of Operations at the Orcopampa Mine

01.02.2019 | [Business Wire](#)

Compañía de Minas Buenaventura S.A.A. (“Buenaventura” or “the Company”) (NYSE:BVN; Lima Stock Exchange:BUE.LM), Peru’s largest publicly-traded precious metals mining company, is pleased to announce that it has resumed operations at its Orcopampa mine.

As was announced on December 12, 2018, the Company decided to temporarily suspend production at the Orcopampa mine, beginning on December 17, 2018 through January 31, 2019. This is consistent with the Buenaventura's strategy of prioritizing Orcopampa's De-bottlenecking Program over ore extraction.

In accordance with Buenaventura's communicated plan, the existing infrastructure was successfully optimized by improving the mine ventilation system and reinforcing the galleries to ensure the safety of Orcopampa's on site team. All activities at both the mine and the plant will resume today with no delays.
