Calgary, February 7, 2019 - [EnerSpar Corp.](#) (TSXV: ENER) (FSE: 5E0) ("EnerSpar" or the "Company") and MindFull Capital Inc. ("MindFull") are pleased to announce that they have entered into an arms-length non-binding letter of intent dated February 7, 2019 pursuant to which EnerSpar and MindFull propose to complete a business combination (the "Proposed Transaction").

MindFull was founded in 2018 with the mission of bringing innovative food and beverage products to market that feature the highest quality ingredients, sustainable packaging and ethical sourcing to improve the health and wellbeing of all. The MindFull team has over 75 years combined experience in the organic and natural products industry, leading to a unique, highly differentiated approach to category management, new product development and market leadership. In 2019, MindFull launched GAIAM and VIBE, two ready-to-drink, organic tea brands that are available nationwide.

Jay Richardson, EnerSpar's CEO said, "We are delighted with this exciting development by which we currently expect to deliver additional value in the rapidly developing food & beverage field, to our shareholders. The principals of MindFull already have considerable expertise and experience in this field."

## Terms of the Proposed Transaction

The Proposed Transaction will be structured as an amalgamation, arrangement, takeover bid, share purchase or other similar form of transaction or a series of transactions that have a similar effect with EnerSpar acquiring all voting securities of MindFull. The final structure for the Proposed Transaction is subject to satisfactory tax, corporate and securities law advice for both EnerSpar and MindFull.

Prior to consummation of the Proposed Transaction, EnerSpar will, among other things, subject to the approval of EnerSpar shareholders, consolidate all of the issued and outstanding common shares of EnerSpar ("EnerSpar Shares") on the basis of 8 pre-consolidation EnerSpar Shares for each one post-consolidation EnerSpar Share (the "Consolidation"). Pursuant to the Proposed Transaction EnerSpar will purchase all of the outstanding common shares of MindFull ("MindFull Shares") in exchange for EnerSpar Shares issued from treasury. Holders of MindFull Shares will receive one EnerSpar Share (on a post-Consolidation basis) for each one MindFull Share held. MindFull currently has 29,250,000 MindFull Shares outstanding.

In addition, completion of the Proposed Transaction is subject to a number of conditions, including completion of certain financings by MindFull, receipt of all necessary shareholder and regulatory approvals, the execution of related transaction documents, the continuance of EnerSpar into the province of Ontario, approval of the TSX Venture Exchange (the "TSXV"), and the majority of the minority shareholders, for the delisting of the EnerSpar Shares from the TSXV, and conditional approval of the Canadian Securities Exchange for the listing of the EnerSpar Shares following completion of the Proposed Transaction.

Prior to the completion of the Proposed Transaction, the Company must have completed a court approved arrangement (the "Arrangement") pursuant to the Business Corporations Act (Alberta), pursuant to which, among other things, all of the existing assets and operations of EnerSpar will have been placed into a new subsidiary company, and the shares of the new subsidiary will be distributed to EnerSpar's existing shareholders. The effect of the Arrangement is that the existing EnerSpar business will continue for the sole benefit of the existing EnerSpar shareholders. It is also EnerSpar's intention to apply for a listing on the CSE for this new company.
