VANCOUVER, Feb. 20, 2019 /CNW/ - First Energy Metals Ltd. (TSX-V: FE or the "Company") has commenced its previously announced exploration drill program on December 12, 2018 but due to poor weather conditions there have been delays in the completion of the exploration program. The Company expects to complete the drill program in the coming weeks.

The Company is pleased to report that its shareholders approved all of the motions presented at its Annual General Meeting held on February 19, 2019.

The Company is also pleased to announce a non-brokered private placement for gross proceeds of up to \$75,000 from the sale of up to 357,143 common shares at a price of 0.21 cents per common share. Proceeds of the private placement will be used primarily for general working capital and further exploration of the Company's Phyllis cobalt property.

The above mentioned private placement will be subject to TSX Venture Exchange approval. In addition to compliance with applicable securities laws and receipt of all final regulatory approval.
