

OASIS PETROLEUM INVESTIGATION INITIATED BY FORMER LOUISIANA ATTORNEY GENERAL: Kahn Swick & Foti, LLC Investigates the Officers and Directors of Oasis Petroleum Inc. - OAS

02.03.2019 | [PR Newswire](#)

NEW ORLEANS, March 1, 2019 - Former Attorney General of Louisiana, Charles C. Foti, Jr., Esq., a partner at the law firm of Kahn Swick & Foti, LLC ("KSF"), announces that KSF has commenced an investigation into [Oasis Petroleum Inc.](#) (NYSE: OAS).

On January 2, 2019, The Wall Street Journal reported in an article titled "Fracking's Secret Problem—Oil Wells Aren't Producing as Much as Forecast" that, according to a review of available public data on production, many of the Company's shale wells, specifically those involved in the fracking process, were producing oil and gas at a much lower rate than the Company had forecasted to investors. Further, the report noted that "findings suggest current production levels may be hard to sustain without greater spending because operators will have to drill more wells to meet growth targets."

KSF's investigation is focusing on whether Oasis' officers and/or directors breached their fiduciary duties to Oasis' shareholders or otherwise violated state or federal laws.
