VANCOUVER, March 19, 2019 - [Riverside Resources Inc.](#) ("Riverside" or the "Company") (TSX-V: RRI) is pleased to announce it has closed its previously announced private placement. The placement was over-subscribed and the Company issued 17,488,875 units at a price of \$0.16 per unit for gross proceeds of \$2,798,220 instead of the 9,375,000 units (\$1,500,000) originally contemplated.

Each unit consists of one common share and one whole common share purchase warrant ("Unit"). Management and insiders subscribed for 845,000 Units for \$135,200 in total proceeds to the Company.

With respect to a portion of the funds raised in the private placement, the Company paid finders' fees of \$87,312 to Sprott Global Resource Investments Ltd., \$20,076.80 and 12,000 Units to Haywood Securities Inc., 16,000 Units to Canaccord Genuity, and \$1,280 to PI Financial Corp.

All securities issued pursuant to the private placement and as finders' fees will be subject to a four-month hold period expiring on July 20, 2019.

The Company will use the proceeds of the financing to fund a focused drill program at the Cecilia Gold Project, additional project acquisitions and further target refinement on existing projects to advance towards new partnerships.

The securities being offered have not been and will not be registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons without United States federal and state registration or an applicable exemption from registration requirements.
