December Private Placement – Clarification

On December 21, 2018, the Corporation completed a private placement of units and flow-through units for aggregate gross proceeds of \$993,800. Under that private placement, the Corporation issued: (i) 11,676,000 units, each unit comprised of one common share and one-half of one common share purchase warrant; and (ii) 8,199,998 "flow-through" units, each "flow-through" unit comprised of one common share and one-half of one common share purchase warrant.
