HOUSTON, March 29, 2019 - [Parker Drilling Company](#) ("Parker" or the "Company") today announced that its common stock has been approved for listing on the NYSE. Parker expects that the common stock will begin trading on NYSE on or around April 3, 2019. The trading symbol for the common stock is "PKD," which is the same trading symbol used for the Company's common stock when it was listed previously on the NYSE.

"The relisting of our new common stock on the NYSE is another important step in our overall restructuring and efforts to deliver future value to our common stockholders," said Gary Rich, President and Chief Executive Officer. "We believe the NYSE relisting will result in an expanded institutional and retail shareholder base and increased capital markets exposure.

"With our strengthened capital structure and the firm commitment of our board of directors, employees, and service providers, we look forward to delivering value to all of our stakeholders," Rich concluded.
